

## March 14 Is Last Day For Registration

Monday, March 14, will be the final day people may register for voting in the April 12 primary election.

This may be done at various places in Lake county, including Lloyd Murrie's service station in Antioch and the Grass Lake food market on Grass Lake road for Antioch Township residents.

Persons 21 years or older may also sign up in Lake Villa at the Rescue Squad building for persons living in the village of Lake Villa and in Lake Villa Township.

Hours for registration at Lake Villa will be from 2 to 4 and 7 to 9 p. m. Mondays through Fridays and on Saturday from 10 a. m. to 12 noon and from 1:30 to 4:30 p. m.

Venetian Village, Fox Lake Hills, Lindenhurst and the village of Lake Villa are included in Lake Villa Township.

Those wishing to register in either township must have been 21 years old on or before April 12, 1960, and must register on or before March 14 in order to vote in the primary.

Women who have married and thus changed their names, must re-register under their married names.

Anyone moving from one precinct to another must re-register.

People must have lived in the state of Illinois for one year, 90 days in Lake county and 30 days in their voting precinct.

The county courthouse in Waukegan is another registration place.

## \$700 Given Heart Fund

More than \$700 was in the State Bank of Antioch this week as contributions to the Chicago Heart Fund drive by residents of Antioch and vicinity.

Mrs. Helen Kopriva, local chairman, said this week. Solicitations were made for the most part on Heart Sunday, Feb. 23. Last year more than \$1,100 was contributed, more than doubling the village's quota of \$500. This year's quota is \$800.

Harry Greenlee of the Telephone Pioneers organization and Mrs. Nancy Reichardt of the local telephone force, were among the local drive leaders. Members of the Pioneer group helped solicit.

Others lending aid included Mrs. Norman Jedele and Mrs. Walker Lyons. Preston Reckers is treasurer of the local drive.

## Oakland PTA Plans A Spaghetti Dinner

The Oakland school PTA met Monday night. Plans are being made for a spaghetti supper to be held in conjunction with the April 4 meeting and open house at the school.

John Jessup, speech instructor, gave a very interesting talk on his work with the children who have speech defects.

Refreshments were served by mothers of second grade students.

## Male And Female Help Wanted

Help Wanted—Male and Female.

That is the plea this week from the Lake county chapter of the American Red Cross to Antioch and vicinity residents.

The 1960 drive for funds is already underway in most county towns but Antioch is an exception for it has no solicitors or leaders of the campaign.

Volunteer workers are needed, both men and women.

Those interested or wishing more information are asked to call Claude Caffie in Waukegan at Ontario 2-4444.

## Rummage Sale March 11-12 at LV

By Jim Jankowiak

The committee in charge of the big Countryside hospital benefit rummage sale reports that everything is in readiness for the worthy event.

They do ask, however, that anyone interested in working, donating, or helping in any capacity with the sale, to contact any of the following women:

Fox Lake Hills, Mrs. E. Weathers, Justice 7-5117; Venetian Village Civic association auxiliary, Mrs. R. Lewis, Elliott, 6-7760; West Millmore Women's club, Mrs. B. Henry, EL 6-7131.

Also Lindenhurst Garden club, Mrs. L. Ringsteyer, EL 6-5151; VFW Women's auxiliary, Lake Villa, Mrs. K. Keating, EL 6-7271; Lindenhurst auxiliary, Mrs. L. Stanley, EL 6-7509; Deep Lake Women's auxiliary, Mrs. A. Mohr, EL 6-5615; Also Millburn, Mrs. I. Messner, EL 6-1317; Lake Villa Women's club, Mrs. G. Eckert, Antioch 852-J-1.

Any of the above ladies will be more than happy to supply information concerning the benefit.

Anything of resale value will be picked up by merely calling, or if desired goods can be dropped off at the Lake Villa grade school Thursday night, March 10, from 7 to 9.

The sale itself will be on Friday, March 11, from 10 a. m. to 9 p. m. and Saturday from 10 a. m. till 2 p. m.

Refreshments will be served.

Location of the sale is the Lake Villa school on the corner of Rte. 21 and Grand Ave. There is ample parking space.

## School Holiday Friday

This week Friday, March 11, will be a holiday for Antioch and vicinity school children so teachers in the schools may attend meetings. The Lake county spring institute will be held that day.

Next week Wednesday evening will be the monthly meeting of the high school board of education at 7:30 in the school office.

## Township Report

A report on disbursements and cash receipts for the year Feb. 1, 1959 to Jan. 31, 1960 for Antioch Township will be found on page 12 of this week's Antioch News.

The report was prepared by Norman S. Jedele, local certified public accountant, for Antioch township supervisor L. E. Murrie, ex-officio treasurer.

GIRL SCOUTS of Antioch and vicinity as well as throughout the nation will be observing the 48th birthday of the Girl Scout movement Saturday evening, March 12, with a United Nations program in the Antioch grade school gym. Here is shown Judy Furlan showing some of the things made by Girl Scouts and Brownies of St. Peter's church troop No. 5. The window is at Mari-Anne's store on Main street where many other articles made by these girls are on display this week. (Antioch News photo)

## Girl Scouts To Present Program At Grade School Gym On Saturday

Intermediate and Brownie Girl Scouts of the Antioch-Lake Villa neighborhood will present a United Nations program at 7:30 Saturday evening, March 12 in the Antioch grade school gymnasium to bring to a close Girl Scout Week.

Girl Scouts across the country have been celebrating the 48th birthday of Girl Scouting.

In this neighborhood each troop has chosen a different country and will put on a song, dance or skit typifying that nation.

Girl Scouts and Brownies of St. Peter's church have placed an exhibit of handiwork the girls have done in the window of MariAnne's on Main street.

The girls worked hard on the Girl Scout theme, demonstrating what each day of the week represents through this display.

Some of the work done by Girl Scouts include bringing cheer to people in old folks homes, cheer to invalids and to infants in hospitals. "A Girl Scout has a good many

goals to accomplish," leaders said. "The Girl Scout promise, laws, motto and slogan point up this fact."

The promise cites the Girl Scout's duty to God and her country, helping others and obedience to laws.

"Love of God, love of country, love of fellowman and love of laws—and learning what these stand for and being able to live by them presents a big order for Girl Scouts to fill," their leaders say.

Parents, other adults and children will have an opportunity to see a few of the things Girl Scouts can and will do when they attend the program at Antioch grade school Saturday evening.

Admission will be charged and the public is invited to attend.

Mrs. Mary Bruski is program chairman and John Jessup, speech teacher at the grade school, will narrate the program.

## George Bartlett Is Latest Name On April Ballot

George W. Bartlett of Victoria street is the latest addition to the list of candidates for positions on the Antioch Township high school board of education in the election to be held Saturday, April 9.

He joined four others who have filed nomination papers with high school board secretary Ruth Seyfarth.

Four are seeking three year terms on the board—Bartlett, Mrs. Mary Chase, Robert Denman and Milburn Cain.

As of Wednesday noon this week only one had filed for the two-year term. He is Lester Boyd Osmond of Antioch.

Osmond would succeed Arthur W. Seekatz of the Lake Villa-Fox Lake Hills area. Seekatz resigned from the board not long ago. His successor would complete Seekatz' term on the board.

Final day for filing for the high school board is Saturday, March 19. Final day for withdrawing as a candidate is Tuesday, March 22.

It has been rumored that a candidate or two may file from Lindenhurst, but as of Wednesday noon none had done so.

It was reported earlier that two petitions for election had been taken out for people in the Lake Villa-Lindenhurst area.

Mrs. Chase is a resident of Channel Lake area, Denman of the Millburn area and Cain, Osmond and Bartlett of Antioch. Denman is the current president of the high school board.

Anyone wishing to file may do so through Mrs. Seyfarth in Antioch. Petitions may be obtained at the high school office.

Final day for applying by mail for absentee ballot will be April 4 and the last day to do it in person will be April 6.

## Fire Equipment Offers Studied

Two bids have been received on supplying the Antioch fire district with a new truck chassis and four offers for a triple combination pumper, fire chief Edgar Simonsen said this week.

These were opened at a meeting of the fire district board last Friday.

Making offers for the truck chassis were Olson Implement Co. of Antioch (International) and Pedersen Brothers of Antioch (GMC).

Four apparent bids for the triple combination pumper were made by Peter Pirsch, Seagrave, Howe and by John Bean.

These bids were being studied this week to see which would best meet what Antioch's fire district needs. It is possible an award will be made by the fire district board of trustees at a meeting next Monday.

## Robert Jonas Given Award For Helping Save Boaters

An employee of the Waukegan office of Illinois Bell Wednesday received the highest award the telephone industry gives to a telephone man or woman—the Theodore N. Vail medal for action taken to prevent loss of life or property.

Robert L. Jonas of 22 First avenue, Route 4, Antioch, was presented with the Vail bronze medal award at a luncheon held in his honor at the Country Squire, Grayslake.

Gordon Aller, vice president and general manager of Illinois Bell, presented the award to Jonas in a brief ceremony attended by civic officials and leading citizens.

The incident for which Jonas was honored occurred on May 30, 1959, at Sequoit Boat Harbor, Antioch, when a cabin cruiser with six children and six adults aboard exploded and sank.

While other pleasure craft rushed to the scene, Jonas immediately called the fire department and then ran to the rescue of the people who were struggling in the water.

JONAS KICKED OFF his shoes, dived into the channel and helped several children to shore.

He also attempted to save one of the women who was drowning. After making several attempts to save her, he finally caught her by the arm.

When he tried to raise her, he kept sinking in the muck and was

forced to come up for air. After making several more attempts to find her, he became ill and was no longer able to remain in the water.

Jonas, a 13-year veteran with Illinois Bell, was graduated from Fenger high school, Chicago. He and his wife, Martha, have one daughter, Mickey Lee, 11.

Presently Jonas is a cable splicer working in the telephone company's Waukegan district.

VAIL AWARDS were created in 1920 as a memorial to Theodore N. Vail, a pioneer in the telephone industry.

They are presented periodically to telephone employees who meet emergency situations with quick thinking and cool action which results in saving human life.

All recipients are chosen by an impartial committee which reviews such acts of heroism.

Among the guests attending the presentation were: Mrs. Robert L. Jonas, wife of the award winner; Rev. Wallace R. Anderson, pastor, Methodist church of Antioch; Merrill Cunningham, mayor of Antioch; Herman Holbek, chief of Antioch rescue squad; Walter I. Scott, Antioch police chief; Howard Shepard, Antioch News business manager, and Edgar Simonsen, Antioch fire chief.

TAKING A BOW at the conclusion of the play "Time Out For Ginger" last Saturday evening were these members of the cast. The Antioch-Lake Villa high school PTA sponsored the 3-act comedy presented in the high school auditorium that evening to a near capacity crowd. The audience made the cast take two curtain calls. James Corrigan was the director, assisted by Chip Eberman. Shown here are, from left, Bob Willert as a bank president; Miss Ruth Nickelson as a maid, Bill Puckett as a boy friend of Ginger, Ann Shehorn as a daughter, Homer LaPlant as the father, Harriet Wells as Ginger, Mrs. Lila Palinski as the mother, Sue Romer as a daughter, Bob Wozniak as a boy friend and Bill Seemann as a high school principal. ## DEAR READER News Editorials

### There Is Only One Antioch Paper

Just about once every week we hear from people in Antioch complaints because this daily paper or that daily paper doesn't give local news big banner headlines such as these readers think those papers should do.

Or we receive a phone call or someone stops us on the street and says "oh we sent that to the (daily paper). We thought it would get in the Antioch News that way. Doesn't (reporter's name) write for you too?"

The Antioch News is the only NEWSpaper in Antioch. We print the news and advertisements and write headlines for the news from an Antioch standpoint.

There are several newspapers published in this United States who have on their editorial pages and/or at the top of page one of each issue something that may read something like this:

"We are the only paper that gives a d--n about (name of town)."

The Antioch News could well say the same thing in its pages each week.

Daily newspapers have a place in every home.

Weekly newspapers such as the Antioch News have another place.

We cannot provide some services, news and advertising-wise, that a daily can do. And by the same token a daily cannot provide what we can do. It is nothing against either paper. It is just common sense journalism.

Pictures of local happenings, for instance, can best be covered by a weekly newspaper which is on the spot.

In fact, the Antioch News is proud of the fact that pictures we have taken of local events, people and the like have brought many orders for re-prints from the people involved.

But photography is just one example what your Antioch News does.

It is just another way of saying, "There Is Only One Antioch Paper—The Antioch News."

## Birthday Parties At Lindenhurst Enjoyed By Many Of Young People

By Mrs. Edward Bernas

LINDENHURST—Mrs. Ted Flanagan had Slove's make up a most unusual birthday cake for little Kathy's third birthday party Sunday, March 6. Half of the cake was filled with fresh bananas and the other half fresh strawberries. You see Kathy and her sister, Jannie 5, prefer bananas and brother Billy, 8, prefers strawberries. Dinner guests were Mr. and Mrs. Frank Brunner of Chicago, Mr. and Mrs. James Payne and their children from Evanston and Mr. and Mrs. Frank Addante of Chicago.

Ted Flanagan of Briar Lane has been elected president of the Lake Villa Township Junior baseball league. Boys between the ages 9 through 12 may register for tryouts in April. The place to register will be announced.

Mr. and Mrs. Ray Olson of Waukegan took Mr. and Mrs. Barry Kleban of Longmeadow drive out Saturday evening to Ray Radigan's steak house in Zion. Phyllis' mother, Mrs. S. White, took care of little B. J. and Mitchell while they stepped out.

Martin Golden's, of Elmwood drive, place of business in Chicago, was badly damaged by smoke recently, when the floor tile store next door to him burned. He is a distributor for Melmac dinnerware, so his wife, Dorothy, has been busy washing all that could be washed. (And we fuss when we have to do dinner dishes.)

Mrs. Georgia Matthies of Thornwood drive celebrated her birthday Sunday, March 6. Friends who came over to wish her a happy birthday were Mr. and Mrs. Joel Schimpf of Deerpath drive and Lorraine and Jim Fierabend of Mundelein. Her husband, Augie, and their two daughters, Linda and Donna, also enjoyed the birthday cake.

Mrs. Georgia Matthies of Thornwood drive has been appointed chairman of a card party that the Ladies auxiliary will have in May at the Lake Villa school. More about that later.

Ricky, Johnny and Susan Drago of Elmwood drive have been on the sick list the past week. They are children of Tony and Sandy Drago.

Carol Labarbera of White Oak drive has had a virus infection and has been home from school. She lost her voice, so it was nice and quiet around the house. (All kidding aside, we're sorry she's not feeling like herself.)

Robert A. McLeiland, president of the Lake Villa-Hooper school PTA, is having an executive board meeting Tuesday, March 15, at the Lake Villa school.

Hank Uebelle of Hawthorne drive was a patient in Norwegian-American hospital for four days last week. He is home now but under doctor's care and a special diet. He

and his wife, Mel, and their two sons, are newcomers to Lindenhurst. They've been here only four months. Billy Bernas, 11, of White Oak drive, is happy that his grandmother, Mrs. Ella Schrotland, formerly from the northwest side of Chicago, has now come to make her home with the Bernas family.

Cub Scout Pack 84 will have a bake sale Saturday, March 19, 10 a.m. to 2 p.m., at Thor's Shell station on Grand avenue. Let's all support the boys.

Mrs. Nada Romani of Deerpath drive was hostess March 4 to 13 members of the "Lochs." What a cute and appropriate name: "The Loyal Order of the Cackling Hens." That name would fit most any woman's club.

The regular meeting of the Lindenhurst Ladies auxiliary to the Men's club will not take place this month. Instead, members are asked to meet March 10 at the Lake Villa school to sort over and price rummage that is to be sold for the benefit of the Countryside hospital.

For any information regarding pick-up, call Mrs. Stanley, El. 6-7509 or Mrs. Ringsteyer, El. 6-5151.

Mr. and Mrs. John Quinn of White Oak drive are finding out how it would be to have a family of five for the past two weeks.

John's sister, Mrs. Barbara Wermeling of Racine, Wis., had a new baby recently so Betty offered to take care of Kathy, 4, and Patty, 3, until she felt better.

Mrs. Wermeling also has two other children, ages 2 and 5 that their grandmother is caring for. The Quinns have three children, Johnny, 6, Julie 4 and Barbara Jean, 10 months.

Michael Davis of Hazelwood drive celebrated his 13th birthday Sunday, March 6. He is the son of John and Clara Davis. Helping eat the birthday cake that mother made were Christine, Larry and Stanley, Mike is a student at Lake Villa school.

Richard and Nettie Galla of Deerpath drive welcomed their first child, a son, Richard Gerrard, Feb. 27, at St. Therese hospital. He weighed 7 lbs., 15 ounces at birth.

Mrs. Ida DeSomers, Mrs. Bernice Frontzak and Mrs. Lois Flanagan were luncheon guests of Mrs. Lou Stanley March 1. Later the ladies played cards.

Phil Jackson of Thornwood drive had a party after school March 4 to celebrate his 10th birthday. His little brother, Johnny, 4 years old and his friends who helped him celebrate were Ricky Bonovitz, David Bybee, Larry Davis, Jimmy Goronski, Jerry Hansen, Donald Langager and Ralph Rohweder. He is the son of John and Jane Jackson.

The boys played games and "Simon says." They also enjoyed a movie about fishing, shown on a home projector. They really enjoyed a whipped cream cake, orange sherbert and soda pop.

## Athletic Program Slated By K of C

The annual athletic program sponsored by the Knights of Columbus, St. Peter of Antioch council 3800, will take place Tuesday, March 15, in the Antioch American Legion hall.

Food will be served at 6:30 p.m., to the basketball teams, cheer leaders and coaches from St. Peter's and Prince of Peace parishes.

The meeting will be open for members to bring their women folks and witness the presentation of the trophies and pictures. Movies will be shown.

Walter Delaney is chairman, assisted by Thomas Pechousek, Stanley Toton, Francis H. Mitchell.

## McClory Talks At Grant High

FOX LAKE—Illinois citizens have a heritage of basic constitutional guarantees which predates the constitution of the United States, State Senator Robert McClory of Lake Bluff told senior class students of Grant Community high school in a special assembly last Thursday.

"The basic guarantees enjoyed by Illinois citizens have their roots in the ordinance of 1787 reputedly drafted by Thomas Jefferson, the governor of Virginia, which was the first written document to guarantee basic elements of our Bill of Rights," Sen. McClory explained.

The ordinance of 1787, which preceded the ratification of the U. S. constitution by two years, guaranteed Illinois citizens freedom of religion, the right to a trial by jury, the right to the benefits of habeas corpus and protection against involuntary servitude, the veteran legislator declared.

A brief review of legislative action which eventually led to the constitutional convention of 1870 at which the present constitution under which the State of Illinois operates was traced by the speaker.

A keen appreciation of recent and pending legislation and legislative problems was displayed by the students during a spirited question and answer session which followed Sen. McClory's formal remarks.

Sen. McClory was introduced by Kathryn Molda, secretary of the school's National Honor society and a member of the senior class. Faculty adviser for the program was John Schad, teacher of government at Grant Community high school.

## Junior Prom Planned

WILMOT, Wis.—Plans for the junior class prom entitled "Holiday in the Clouds" were announced this week at Wilmot high school.

The event is scheduled for Saturday, April 30, from 8:30 to 11:30 p.m. in the school gymnasium. Cullen Casey's orchestra will provide the music.

Boy Scouting's showcase is the new Johnston Historical museum at New Brunswick, N. J.

## Sworthout in Alaska Training Exercises

LADD AIR FORCE BASE, Alaska—Army Specialist Five Sidney R. Sworthout, son of Mrs. Emily E. Sworthout, Ingleside, Ill., participated with other personnel from the Yukon command in Exercise Little Bear, a winter field training maneuver conducted in the frozen terrain about 200 miles north of Anchorage Feb. 10 to 21.

The exercise, which involved nearly 4,000 troops, was designed to determine unit effectiveness in conducting cold-weather tactical movements under realistic combat conditions.

Regularly assigned as a helicopter mechanic in the command's Head-

quarters Company at Ladd Air Force Base, Alaska, Specialist Sworthout entered the army in August 1957.

He was stationed at Fort Carson, Colo., before his arrival in Alaska in November 1959.

The 20-year-old soldier, whose father, Gordon B. Sworthout, lives in Antioch, is a 1957 graduate of Grant Community high school in Fox Lake.

Boy Scouting's golden anniversary in 1960 is being observed wherever American boys live.

### BI-STATE LEAGUE

#### THURSDAY, MARCH 3

Turning in his best scoring performance of the season, Chuck Moran topped the solo scoring list in the Bi-State league this week with a 683 series in sets of 221-216-246. This is tops for the league.

Top flag threats to fall by the wayside were Rudolph Turkeys and Gordon Weatherstrip.

John Gaa and Son applied the crusher on Rudolph's while Beauti-Vue Products were belting the Gordons.

Another three-game winner was Kirchmeyer's Construction over Cunningham Cartage. Bill Graham and S. Visk tallied 562 and 558 for the winners. Bob Kraft belted a 597 for the Gaa's and John Vasta powered the Beauti-Vue team with 582.

Rog Stratton's 662 triplet sparked Lakes Tile to a double win over Vos Construction. Lee Gallagher had a fine 598 for the Vos team.

Adolph's Channel Inn scored a 2-1 decision over Roepenack Masonry. Bob Bywell had 562 and J. Mueller had 553 for the Adolph's. Haydon Homes took the odd game from Carter's Taxidermy. Frank Huss shot 548 for Haydon's.

#### A "Window Workshop"

Roman B. Vos and Vern Barnstable of Antioch Lumber & Coal company recently attended a two day "Window Workshop" at the Andersen corporation, manufacturers of Andersen Windows at Bayport, Minn.

The workshop included a trip through the plant, which is the largest in the world devoted entirely to the manufacture of window units.

The next day and a half was spent learning how windows affect the livability of a home.

"After attending this school at the Andersen corporation," they said, "we really feel that we are able to give our customers better advice on the proper planning and selection of window units."

University of Illinois agronomists put three oat varieties—Clinton, Minhafer and Newton—at the top of their recommended list for 1960. They were the standouts again this year in test plots in about 50 counties.

Numerous tests with the feed additive ethanol (ethyl alcohol) indicate that it won't help dairy heifers make faster gains, according to a University of Illinois dairy specialist.

## Mrs. Church At Lake Villa

LAKE VILLA—U. S. Congresswoman Marguerite Stitt Church (R-Ill.) will be a featured speaker at a Republican rally to be held at the Lake Villa grade school the evening of Saturday, March 12.

Arthur Bennett, chairman of the rally sponsored by the Lake Villa Men's Republican club, said Mrs. Church will keynote the rally.

All GOP candidates have been invited to attend and will be introduced. Special entertainment is being planned for the rally.

Mrs. Church is expected to talk about legislation being considered in the current session of congress and the prospects for a Republican victory this coming November.

Bennett urged all Lake county Republicans to "turn out in large numbers to greet Mrs. Church and other candidates for office."

## Rebekahs Enjoy Photos at Meet

Members of Lakeside Rebekah lodge no. 82 in Antioch enjoyed identifying persons in photos brought by members to the Feb. 17 meeting of the group. Each member attending brought a photo of herself to the session.

The table was decorated with photographs of Thomas Wilkey, founder of Odd Fellowship in America. A silhouette of two famous Americans, Abraham Lincoln and George Washington, also was on the table.

A valentine exchange featured the Feb. session of the lodge with valentine decorations being used on the tables.

The golden key fund was supported by the lodge members. Total of this fund will be given to the assembly president at the May lodge meeting.

The fund supports two homes for old folks at Mattoon, Ill., and the children's home at Lincoln, Ill.

## Topics for Today's Women

### Book On Hawaii Reviewed At Meet Of Antioch Woman's Club Monday

The Scout House was filled to capacity for the Monday afternoon meeting of the Antioch Woman's club.

Mrs. William Brook opened the meeting with the pledge of allegiance. She told members of the Tenth district ways and means party at the Woman's club of Wilmette Thursday afternoon, March 31.

Mrs. Robert Lubkeman, chairman of the cerebral palsy drive in this district, reported on the March 1 kick-off luncheon in Chicago and her part in it.

Mrs. Ted Larson introduced local talent, little Kirk Dalgard, son of Mr. and Mrs. Bruce Dalgard, who sang and gave a recitation. Mrs. A. H. Kaufmann was his accompanist at the piano.

Mrs. Larson then introduced Mrs. W. C. Petty, who reviewed James Michener's book, "Hawaii."

The book with its 900 pages, from Book 1, the introduction "From the Boundless Deep"—the formation of the islands; Book 2 "From the Sun-swept Lagoon"—the Polynesians; also Book 3 "Farm of Bitterness"—the Americans; Book 4, "From the Starving Village"—the Chinese; Book 5, "From the Inland Seas"—the Japanese; through Book 6, "The Golden Men"—post war Hawaii after 1946 and up to statehood.

These kept Mrs. Petty's audience interested to the last page.

Mrs. Myrus Nelson and her hostess committee carried out the table decorations and refreshments complementary to the fiftieth state—Hawaii.

The March 3 Moosehaven chapter night program of the Women of the Moose was cancelled because of bad weather.

There will be a combined chapter night program and business meeting on March 17 at 8 p.m.

Membership committee is having a luncheon, style show and card party at the Moose home on March 16, starting at 12:30 p.m. Tickets may be bought at the door.

### Mrs. McGuiness Given Fur Stole

Mrs. Rose McGuiness of Beachwood subdivision, Petite Lake, these days is the proud possessor of a beautiful mink stole.

Mrs. McGuiness, who is manager of the employees cafeteria of the Mutual Trust Life Insurance company in Chicago, won the fur piece in a nationwide contest of Langford cafeteria managers for having the most improvement during the month of January.

Her stole was awarded for "having the very, very best improvement in all four January quotas," a notice from the Langford firm said.

"Congratulations to Rose as it took a lot of hard work and effort to win this lovely prize over all the other cafeteria managers."

Otto Schultz of Antioch called on the Charles Oetting last Saturday. Friends and neighbors are pleased to learn that Mrs. Nel Runyard is convalescing at her son's home in Waukegan after surgery and will be back in her own home soon.

Mrs. Betty Tuft and son, Edward, of Johnsburg, Ill., visited her mother, Mrs. Grace Miller, Saturday.

Miss Ardis Mohr of Chicago and a girl friend and two gentlemen friends visited at her aunt's, Mrs. George Wilen, on Friday night and Saturday, spending the day at the ski hills in Wilmet.

Miss Mary Sheen and Mrs. Grace Miller visited at the Milton Patrick home Sunday afternoon.

A good crowd attended the card party at Trevor social center hall Saturday night in spite of the near zero temperatures and slippery roads.

Mr. and Mrs. Charles Oetting called at the Willis Sheen home Sunday afternoon.

University of Illinois tests show that lambs can make satisfactory gains with only one to one and a half linear inches of feeder space per head. Previous recommendations called for three to four inches.

Research shows that overfat brood sows farrow and raise smaller litters than sows that are not so fat.

Change crankcase oil more often in winter than in summer. Odd jobs around the farmstead do not get the tractor warmed up, and the oil becomes contaminated with unburned fuel, water and acid.

Illinois dairy farmers can expect steady to higher average prices for the milk they sell during 1960.

### Proclamation

WHEREAS, we live in a world which demands a re-dedication to the enduring intellectual and spiritual values essential to the progress of a free people in a free society;

WHEREAS, our libraries make accessible the accumulated experience of all mankind, from which present and future generations may derive the wisdom and understanding vital to our national survival;

WHEREAS, the development of life-time reading habits are necessary for individual fulfillment and for achieving the highest qualities of citizen-capability;

WHEREAS, the freedom to read is the responsibility and privilege of all people in a democracy;

NOW THEREFORE, I, Murrill Cunningham, Mayor of Antioch do hereby proclaim the week of April 3 to 9, 1960, as Library Week and urge all citizens to unite in the national effort to achieve a better-read, better-informed America, to stimulate interest in libraries of all kinds—to the end that we realize the full potential of our national purpose.

Signed Murrill Cunningham, President

### Create Your Soups And Serve With Crackers

**ITS Soup and Cracker Time!**  
Time to think about the many new soups you can create, by mixing your favorite canned kinds. Time too, to be imaginative with crackers. What better way to serve lunches, snacks, and winter "pick-me-ups" than a tureen and mugs filled with hearty hot soup and crisp interesting crackers.

**MIX SOUPS LIKE THIS:**  
Combine: 1 can (10 1/2 ounces) condensed cream of chicken soup + 1 can (10 1/2 ounces) condensed beef noodle soup + 2 soup cans water.  
Combine: 1 can (10 1/2 ounces) condensed green pea soup + 1 can (11 ounces) condensed beef soup + 2 soup cans water.  
Combine: 1 can (10 1/2 ounces) condensed black bean soup + 1 can (10 1/2 ounces) condensed onion soup + 2 soup cans water.  
Combine: 1 can (10 1/2 ounces) condensed cream of celery soup + 1 can (10 1/2 ounces) condensed vegetable beef soup + 1 1/2 soup cans water.  
Combine: 1 can (10 1/2 ounces) condensed chicken gumbo soup + 1 can (10 1/2 ounces) condensed clam chowder + 2 soup cans water.

**GOOD CRACKER GO-WITHS** are made like this:

**Cheese Cracker CROUTONS**  
1 tablespoon butter  
1/2 teaspoon leaf oregano  
1/2 cup coarsely crumbed cheese crackers  
In small skillet, melt butter; stir in oregano. Add crackers; heat. Stir now and then.

**Cracker CROUTONS**  
1 tablespoon butter  
1/2 teaspoon curry powder or leaf thyme  
1/2 cup coarsely crumbed crackers (saltines)  
In small skillet, melt butter; stir in curry powder or thyme. Add crackers; brown lightly. Stir now and then.

**Tangy Oyster Crackers**  
1 tablespoon butter  
1 cup oyster crackers  
Celery or onion salt  
In small skillet, melt butter. Add crackers; heat. Shake pan to coat crackers with butter. Sprinkle with celery or onion salt.

**Cheese Bits**  
1 tablespoon butter  
1/2 teaspoon instant minced onion  
1/2 cup cheese bits  
In small skillet, melt butter; stir in instant minced onion. Add crackers; brown lightly. Stir now and then.

### Lecture, Slides For Girl Scouts

LAKE VILLA—A lecture and showing of slides about tours in foreign countries and how Girl Scouting is carried out in those nations will be given at the Lake Villa grade school Wednesday, March 23.

The talk and show will be presented by Miss Cornelia Roberts, a teacher at Grayslake high school.

Miss Roberts is scheduled to present the same program for Girl Scouts at the Gages Lake-Wildwood and Grayslake neighborhoods in the Grayslake grade school at 7:30 p.m. Thursday, March 17.

All Intermediate and Senior Girl Scouts from these areas as well as leaders are being invited to attend. There will be no admission charge.

### Wesley Circles Slate Meetings

Wednesday meetings, March 16, for the Wesley circles of the Antioch Methodist Church, will include the following:

Mrs. Ernest Glenn and Mrs. Robert Liess will have their meeting at the home of Mrs. Effie Nelson, 1003 Victoria street.

Mrs. S. Boyer Nelson and Mrs. Sam Ries' circles will meet at the home of Mrs. Ries, 267 Park avenue.

Mrs. L. C. Scott and Mrs. John Quinn's circles will meet this month at Wesley hall. All sessions will convene at 1 p.m.

### OES Will Meet Thursday Night

Antioch Chapter, Order of Eastern Star, will have its regular meeting at 8 p.m. Thursday, March 10, in the Masonic temple.

Nancy Scott, daughter of Antioch's police chief, will be initiated at this meeting.

Nancy was to have been initiated at the last session, but the snow storm intervened with plans of the group.

### Green Thumbers Meet

The Green Thumbers will meet at 1 p.m. Monday, March 14, at the home of Mrs. Clarence Gibbons, Addison Lane.

The program for the day will be on spring planting.

## 'Finian's Rainbow' To Be Presented In School Auditorium March 25-26

Music department at Antioch Township high school will present "Finian's Rainbow" in the school auditorium March 25 and 26.

The fanciful Broadway musical comedy hit about an Irishman and his daughter who steal away a pot of gold from the leprechauns of their country and bring it to Rainbow valley, in the American state of Missouri, which is an idyllic spot except for one handicap.

The handicap is that Rainbow Valley and its singing citizens are afflicted with an old-fashioned bigoted politician, not too deeply disguised under the name of Senator Billboard Rawkins, played by Dan Seyfarth.

## DEATH NOTICES

### GEORGE W. ROX

**LAKE VILLA**—Funeral services for George W. Rox, 57, of Grand avenue, Lake Villa, who died suddenly last Friday in his home, were held Monday afternoon at a Lake Villa funeral home.

Rev. Vincent Fish of the Episcopal church of the Holy Family officiated. Burial was in Northshore Garden of Memories, North Chicago.

Mr. Rox was born Jan. 24, 1903 in Ohio and was a former resident of Waukegan, moving to Lake Villa about 13 years ago. He was a member of the Lake Villa fire department.

Operator of a restaurant in Sherwood Park at the time of his death, he was manager of Sherwood Park from 1947 to 1957 and then went into business for himself.

Surviving are his wife, Sylvia; three sons, Thomas, Joseph and James, all of Lake Villa; a sister, Mrs. Virginia Connolly of National City, Calif., and a brother, Clarence of Miami.

### MRS. PAULINE M. PETERSEN

**GRAYSLAKE**—A native of Antioch, Mrs. Pauline M. Petersen, 64, of route 120, Grayslake, died in a Waukegan hospital last week Wednesday afternoon after a brief illness.

She was born in Antioch on May 4, 1895, moving to Avon Township about 20 years ago. She was a member of Sorosis chapter of the Grayslake OES.

Survivors include her husband, John C. E.; two sons, Frederick J. A. of McHenry and Edward E. of Gages Lake; six grandchildren; her mother, Mrs. Anna M. Petersen of Grayslake.

A daughter, Edith, died in 1928 and a son, Julius, died in 1938.

Funeral services were held Saturday afternoon at Strang funeral home in Antioch with Rev. Wallace Anderson, pastor of the Antioch Methodist church, officiating. Burial was in Hillside cemetery, Antioch.

### JOSEPH F. HOLLY

**BASSETT, Wis.**—Funeral services for Joseph F. Holly, 69, of Lily Lake road, Bassett, were held at 10 a.m. Thursday, March 3, at Strang funeral home, Antioch, followed by services in Holy Name church, Wilmet, at 10:30.

Burial was in Holy Name cemetery. Rev. Harold Herbst, pastor of Holy Name church, officiated.

Mr. Holly died last week Monday morning at a Burlington hospital. He was born on Jan. 1, 1891 in Chicago and had lived in Oak Park until he moved to Bassett 2½ years ago.

He made his home in Bassett with a step-daughter, Mrs. John Roberts.

Mr. Holly was a member of Holy Name church and of the Holy Name society of that church in Wilmet. He was a retired machine operator. His wife, Katherine E. Holly, preceded him in death in 1959.

Surviving are one sister, Shirley Heaslett of Lake Villa; four step-children, Charles B. Thornton of Enderline, N. Dak.; Mrs. Frank (Ethel) Stockton, of Kansas City, Mo.; Mrs. Harold (Esther) Sullivan, Chicago, and Mrs. Roberts of Bassett.

### RICHARD V. CHINN

Richard V. Chinn, 46, of Schiller Park, died Tuesday morning, March 8, in Hines VA hospital after a one year illness.

Born Feb. 28, 1914 in Antioch, he lived here until moving to Chicago in 1936.

He was a member of the Schiller Park Lions club and was in the US navy during World War II.

Mr. Chinn married Ann Gegan Aug. 24, 1939 in Chicago. He was an electrician for the Mills Novelty and Apex Amusement corporation.

He is survived by the widow, Ann; one daughter, Barbara, at home; one brother, Lester F. Chinn, Antioch, and two sisters, Mrs. Ada (Nicholas) Leaycraft of Newtown, Conn., and Mrs. Hazel (H. C.) Witt, Lake City, Fla.

One sister, Ruby Chinn Coking, preceded him in death Dec. 21, 1959.

Services will be held at 1:30 p.m. Saturday at Strang funeral home, Antioch, with burial in Hillside cemetery. Friends may call after 1 p.m. Friday, at Strang's.

Friends may also call at Murphy's funeral home, 7600 W. Grand Ave., Chicago, on Thursday, from 2 until 10 p.m.

The whimsical plot revolves about the magic that is wrought on the pro-segregation-spirited Senator by the pot of gold, and the geniality of the Irishman and his daughter, plus the sprightliness of a leprechaun who also arrives in pursuit of the stolen pot of gold.

Penny Anderson is starred as the Irish lass who sings the haunting hit-parade number, "How Are Things in Glocca Morra?" and the part of her jaunty father, Finian McLonergan, will be played by Bernard Anderson.

Charles Bruhn will be seen as the capering leprechaun, and heard also, since his assignment includes singing two of the show's most popular songs, "Something Sort of Grandish" and that essence of fickleness, "When I'm Near the Girl I Love."

Pete Zeien will have the hero's role of the Rainbow Valley farmer with whom Sharon McLonergan falls in love, and with whom she sings the exuberant and well-known songs, "Old Devil Moon," and "If This Isn't Love."

The score of "Finian's Rainbow," written by E. Y. Harburg and Burton Lane, is also notable for two celebrated choral numbers, "This Time of Year" and the expression of the tenant farmers' joy at finding that, by the magic of the pot of gold, they can afford to buy anything they want in the world, "Great Come-and-Get-It-Day."

The show was particularly praised when it began its 91 week run in New York in 1947, for the fact that it combined both gay entertainment and some sharp social commentary.

One of the wonders worked by the McLonergans' pot of gold is the granting of three wishes, and one of them converts the bigoted senator into a Negro for a while. After he thus learned how that feels he assumes a more liberal frame of mind.

Brooks Atkinson wrote "It puts the American musical stage several steps forward with its imagination and stunning virtuosity."

The show will play performances on Friday and Saturday, March 25 and 26, at 8:15 p.m. in the high school auditorium.

## Stock Car Racing Rules Available

Official 1960 rules and regulations governing the building and running of the modified stock cars for the coming season at the Waukegan speedway have just been published.

Several hundred copies have been mailed out to interested persons but there are more copies available for those who may not have received them.

The newly established rules cover many new safety improvements to be employed during 1960, and cars not living up to the requirements as set forth will not be allowed to compete until the necessary changes are made.

The rules are unique because for the first time in the history of short track racing, they cover the six major tracks on the circuit and include in addition to Waukegan, the five Wisconsin tracks, namely, Hales Corners, Cedarburg, State Fair Park, Wilmet and Slinger.

Those requesting rules are asked to write Midwest Speedways, Inc., 6127 West Blue Mound Road, Milwaukee 13, Wis., and a copy will be sent directly.

The Waukegan speedway will continue operating Sunday nights, during the current season with the track opening the first part of May.

## Convictions Increase Noted by Department

**SPRINGFIELD**—Convictions for violations of the game and fish code have increased steadily for the past five years, according to the state department of conservation.

Two thousand two hundred seventy-four persons were convicted of violations of our game and fish laws in 1959.

This was an increase of 19 over the 2,255 convictions in 1958. But fines assessed in 1959 totaled \$80,159, an increase of \$20,394.90 over fines assessed in 1958.

Carrying assembled or uncased guns in cars was the most common violation of the game code, and 345 persons were convicted of that offense last year.

## WOMEN'S THURS. AFTER-NOON LEAGUE, MARCH 3

Fred Maier's Service had high team series, with games of 505-576-676 for a total of 1757.

Burdick's Service Station took two games from Jacques's Beauty Shop.

Nielsen's Restaurant took two games from Kelly's Tavern.

Fred Maier's Service took two from Don's Broasted Chicken.

Hiram Walker took two from Ted's Radio & TV Repair.

The Advertiser took two from Drew's Lotion.

"THIS IS A FINE TIME TO START CHECKING FIRE HAZARDS."

## Birth Announcements

Recent births at Waukegan hospitals have included a son to Mr. and Mrs. Chester Matteucci of Antioch; a son to Mr. and Mrs. James Hartwig of Lake Villa; a son to Mr. and Mrs. Carl Erickson of Lake Villa; a daughter to Mr. and Mrs. Theodore Nielsen of Lake Villa; a son to Mr. and Mrs. Thomas Schirmer of Antioch; a son to Mr. and Mrs. John Heick of Antioch; a son to Mr. and Mrs. Benjamin Ames of Lake Villa.

## Famous Trapper Of Foxes Will Speak In Town

Joe Duffin, a well known Kenosha sportsman who has trapped more than 1,100 foxes in eight months in Kenosha county, will speak at St. Ignace parish hall in Antioch Saturday, April 1, at 7 p.m.

Duffin traps fox solely as a part time hobby without any thought of profit. He works a night shift for a living.

Bounty money is turned over to the Boy Scouts.

Foxes have been a threat to all small game in this part of Illinois as well as in Wisconsin. Duffin believes they will continue to be until these animals are controlled.

The Kenosha county man has offered to appear before organizations and other groups with a movie in color for just his expenses. His present motion picture covers summer trapping.

He is in the process of filming another to show trapping with snow on the ground.

Duffin is expected to show one of his movies in color at the meeting in Antioch. In addition there will be a representative present

## Scouts, Posner Win In 'Dimes' Benefit Games

Two basketball games and the appearance of a pro football player and a former pro glider highlighted the March of Dimes benefit program held at the Antioch-Lake Villa high school's gym Tuesday evening.

In the cage opener, Posner Clothiers of Waukegan defeated a team from the Great Lakes Naval Training station 52-48 in a closely fought contest. The clothing men led at the half 42-40.

Antioch's semi-pro basketball team, the Scouts, knocked over a Land-O-Lakes league all-star team 98-84 in the cage finale. The local quintet was on top at the half 52-48.

Dan Currie, a former Michigan State university glider and now with the Green Bay Packers of the professional football league, spoke. Also talking was Bob Forte, ex-University of Arkansas and Packers player.

from the Illinois conservation department.

No admission will be charged.

FURTHER PROGRESS in the construction of a one-story building to house the International Register company plant at Spring Grove is shown in this photograph taken Sunday afternoon. The last picture published by The Antioch News showed only foundation work completed and some work started on walls. Here much of the steel framework apparently is in place. This is looking toward one side of the structure, the front of it being to the left. About 114,000 square feet of floor space will be available in this, the first of three plant sections to be built. A. N. May Builders' Inc. of Richmond have the contract. The building is located just west of Spring Grove near U.S. highway 12. (Antioch News photo)

## John Frank, Age 100, To Celebrate Birthday With Family Next Sunday

By Mrs. Herman Frank  
Wilmot Correspondent  
WILMOT, Wis.—John Frank, former resident of Wilmot, will celebrate his 100th birthday March 13, at Brookside, Kenosha, where he has been the last two years.

He is a native of Germany and spent his early life there. He came to the United States and Kenosha county at the age of 21 and launched a career as a farmer near Wilmot and south of Wilmot.

In 1918 he moved to Wilmot and spent the rest of his years there until two years ago. During his career as a musician for dances, his instrument of entertainment was the accordion, despite his age, he maintains that skill and rustles off an occasional program of music for his friends at Brookside.

Mr. Frank was caretaker for the Wilmot cemetery for many years. His hobbies were music, hunting and fishing and enjoyed splitting wood up to 95 years of age.

Still he smokes his cigar and only wears glasses for reading.

He has one sister, Mrs. Millie Sandburg, who lives in Burlington, one daughter, Mrs. Metta Zarnstorff, Sr., one son, Herman Frank, Wilmot; one son, Eugene, in Burlington, one son, Fred Frank, Wheeling, Ill.; 10 grandchildren, 33 great-grandchildren who will help him celebrate Sunday.

Wilmot Homemakers club will meet March 18 at 1 p.m. at the home of Mrs. Frank Breuninger, Fox River. Mr. and Mrs. Gene Dobyns of McHenry, Ill., spent Sunday with Misses Grace and Erminie Carey.

## Red Cross Aids Folk Many Ways

For each paid, career staff member of the American Red Cross, there are 149 volunteers. If this ratio seems surprising, it should be remembered that Red Cross was founded by volunteers.

Supporting the Lake county Red Cross services and other community activities are Gray Ladies, volunteer nurse's aides, staff aides, social welfare aides, motor service drivers, canteen workers, and the volunteers who serve in entertainment and supply, arts and skills, and production activities.

Without the support of volunteers these services would not be possible.

Red Cross volunteers serve in military hospitals and installations, in Veterans Administration hospitals, and in civilian hospitals, including mental hospitals. Many other community, state, and federal agencies benefit from the work of Red Cross volunteers.

Yet without your support, Red Cross cannot function, because it is your contributions that provide the necessary funds for all Red Cross activities.

"Support your Lake county chapter of the American Red Cross in its annual fund drive starting on March 1. The goal that must be met to continue and expand Red Cross activities in the county is \$146,125.

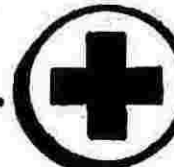

Then said Jesus, Father, forgive them; for they know not what they do.... (St. Luke 23:34)

Do you ever find it hard in your heart to forgive anyone? Do you sometimes find it hard even to forgive yourself? On the cross, Christ Jesus asked God to forgive those who were crucifying Him—for the eternal God of love and mercy will forgive—and he hears even the smallest prayer.

## Bureau Seeking Census Takers

Joseph O'Neill, district supervisor of the 1960 Census of population and housing which starts April 1, this week issued an appeal to residents of the area to become candidates for jobs as census takers. Applicants for jobs as census takers may be obtained from: Bureau of Census, 1319 Washington Street, Waukegan, Ill.

Applicants for jobs as census takers must be over 18 years of age, be citizens of the United States, and have a high school education or its equivalent.

Candidates will be required to pass a selection test demonstrating their ability to understand written instructions and read maps.

Persons who are presently or recently associated with law enforcement or tax assessing or collection agencies are not eligible.

Census takers will be paid on a piece price basis. A diligent census taker should earn about \$12 per day, the district supervisor said.

A \$10 training fee will be paid to census takers who successfully complete the course of instruction required before they start their rounds, and accept a census assignment.

It is a mistaken courtesy to refrain from using your horn at times when an audible warning would be appreciated by others or could prevent a possible collision.

## DOUBLE ANTENNAS

One of our customers at Antioch TV reflected the thought "two heads are better than one" and hooked-up the roof antenna with a built-in antenna. The results of it proved another old maxim "two heads are better than one". Such combinations in connection with TV reception actually give you less signal by causing mis-match.

If better TV reception is wanted, the answer lies in better antenna equipment or in better television set, or both. Phone 410 like many of your neighbors do and let us give you an appraisal of your equipment. We're well experienced in this area in connection with electronics and can assure your satisfaction.

## Lenten Service Dated On Sun. Millburn Church

By Mrs. Frank Edwards  
Phone ELIott 6-3323

MILLBURN—The Pilgrim Fellowship of the Millburn Congregational church will sponsor the Sunday evening Lenten services with the first one to be held at 7:30 p.m. March 13.

Miss Anne-Berit Aas from Norway, one of the international students at the Chicago Theological seminary, will be the speaker.

Regular services will be held in the Millburn Congregational church Sunday, March 13, with church and Sunday school each meeting at 10 a.m.

The monthly meeting of the Men's club will be held at the church Monday, March 14, at 8 p.m. A sports movie will be shown.

Members of the Mylo club will sponsor the annual father and son banquet at the church Wednesday, March 16, at 7:15 p.m. For reservations call Joane Stewart at Antioch 235-34-1, Lillian Staugaard, Baldwin 3-3701, Lucille Eng, Delta 6-4177, or Marguerite Messersmith, Elliot 6-2314.

The study group will meet Thursday, March 10, at 9 a.m. at the home of Mrs. Garrett Trout.

The monthly meeting of the PTA was held last Tuesday evening at the Millburn grade school. The business session was held, after which four members of the Millburn Maidens 4-H club took part. They were Cheryl Denman, Jane Bonner, Linnette Murrie and Alice Bromstad.

Mrs. Lyman Bonner attended the funeral of her uncle George Hogberg of Woodstock, Tuesday.

Miss Judy Paulsen of Evanston spent Tuesday and Wednesday with her parents, Mr. and Mrs. William Paulsen.

Mrs. James Foster is back home after spending some time with her sister in Park Ridge.

Lt. Col. L. K. Watson and family of Edwardsville, were callers at the home of Mrs. Lyman Bonner Monday afternoon.

The second meeting of the Millburn Maidens 4-H club was held Feb. 28 at Millburn church. Leaders of the club are Mrs. William Paulsen and Mrs. Homer White.

For the flower arranging project Mrs. Elbert Elsbury will help.

## Central Stops Waterford, Loses to Kenosha Quints

By John Fisher  
Central High Sports Reporter

PADDOCK LAKE, Wis.—Central high outscored Kenosha high in one quarter of its sub-regional tournament game on the Salem Central floor last Friday evening but not enough to overcome a bigger margin in two other periods as the Falcons lost 65-58.

The first quarter ended with the score tied at 14-14. Central scored 23 points to 16 for Kenosha in the fourth quarter. But Kenosha led 15-6 in the third period and 21-15 in the second.

Gene Schulz and Ron Yates with 13 and 19 points respectively led Central in scoring. Kenosha top point-makers were Ken Turk with 20, Bob Smith with 13 and Bill Simmons who tallied 10.

Kenosha had the better of the argument in the free-throw department with 9 out of 17 for 53 per cent. Central scored 14 out of 29 for 48 per cent.

Dennis Lento of Kenosha went out on fouls as did Bill Simmons, both in the fourth quarter. Gene Schulz and Ron Yates each had three personal calls on them but no Falcon was taken out on fouls.

The loss by Central eliminated it from the sub-regional tournament. Last week Thursday evening the Falcons in first round play of the tourney dumped Waterford 62-54. Central had drawn a play-off bye earlier last week.

Len Krawczyk, Dave Erickson and R. Yates with 21, 13 and 15 points respectively paced the youths coached by Dorm Grams in the Waterford contest.

Waterford had the edge in free throw shooting, making 10 out of 15 for 67 per cent, compared to 11 out of 22 for 50 per cent in favor of the Falcons.

Kenosha in first round play had coasted past Burlington 56-40.

Salem Central went into the game against Kenosha's Red Devils with a 16-3 record and special mention in

## Channel Lake Chiefs Lose?

By Mrs. Pearl Kapell

CHANNEL LAKE—The Channel Lake School Chieftains lost another close basketball game to Big Hollow on Friday, March 4, in an exciting contest which became so confused that no one is sure exactly what happened.

The regular referees failed to arrive at the game, and two high school boys were drafted to act as referees.

With Channel Lake one point behind as the game drew to a close, one of the Chieftains scored a basket.

At this point, it was discovered that the timekeeper had become so interested in watching the game that he had forgotten to watch the clock. And no one, including the referees, was able to decide whether or not the basket had been scored in the official time limit.

The rival coaches finally agreed to go into an overtime, with a tie score. Big Hollow scored and the game ended 34-32.

## Badger Wins Region Cage Game Honors

By John M. Fisher  
Central High Sports Reporter

PADDOCK LAKE, Wis.—Badger high of Lake Geneva will represent the southeastern Wisconsin region in the sectional basketball tournament opening in Beloit this week Friday evening, probably meeting Monroe in the opening.

Badger won this privilege by knocking over Kenosha high school 53-49 in the regional tourney finals played on the Salem Central high school floor last Saturday evening.

It was a close contest all the way with either team a possible winner. Badger pressed its foes throughout, outscoring them in all but the third stanza.

High scorers for Kenosha were George Becker 13 points and Ken Turk and Bob Smith, each with 9. Badger top point makers were Dick Kahn and Jack McLean with 18 and 16 respectively.

Elkhorn trimmed Waterford 58-45 in the consolation round final Saturday with 22 points in the first and 18 in the fourth quarters helping decide the issue.

Vern Stark sunk 13 points and Jerry Schweitzer 12 to pace Waterford. Elkhorn top scorers were Jim Gray and Spencer with 14 and 9 respectively.

Scores by quarters:  
Kenosha 13 11 15 10-49  
Badger 19 14 8 12-53  
Waterford 10 14 9 12-45  
Elkhorn 22 6 12 18-58

## Sequoits Knocked Out of Tournament By Barrington After Stopping L'ville

By Henry Green, Editor

LIBERTYVILLE—A "poor shooting" first half in which the Antioch-Lake Villa high school basketball team had plenty of changes but few results, told much of the story last Friday evening.

Barrington high as a result knocked the Fighting Sequoits out of the tournament picture with a 77-66 victory. The win put the Barrington club in the sectional playoffs at Arlington Heights this week.

Coach Larry Leon's youths held the Barrington club even in the second half, with each team scoring the same number of points—40.

Yet in the whole game Antioch had 75 tries from the "field" to but 48 for the Barrington quintet. However, the Sequoits made 26 out of their 48 for 54.2 while the Sequoits sunk 24 out of 75 for 32.

Antioch did have somewhat the better of the argument in the rebounding department with 38 to 36 for its foes. Considering how many scoring misses were made by the Sequoits early in the game on rebounds, that might surprise some fans.

The Sequoits were "tight" in those first two quarters, missing what seemed like many rebounds. Not missing the shots but failing to sink the basket down underneath or closely on rebounds.

FREE THROWING saw Barrington

roll in 25 out of 28 for 89.5 while Antioch sunk 18 out of 31 for 58.1.

Also in the rebounding department, 20 of Antioch's were offensive and 18 defensive, compared to 9 and 27 respectively for Barrington.

Barrington got the jump and led 2-0 until about 5:30 to play of the first quarter when Dick Gudgeon's free throw for Antioch made it 2-1. Jerry Dahman hit a long one to tie it at 3-3 at 5:10 to play.

The local guard tied it up at 5-5 at 4:15 to play and later the tally was tied at 9-9 with Don Dyles getting this shot.

But with 1:35 to play in the opening stanza, Barrington, 11-9, went into the lead it didn't relinquish from then to the end of the contest.

The Sequoits got within five points of a tie in the second quarter when the score became 29-24 with 2:10 to play, but that was the closest.

THE SCOREBOARD favored Barrington 37-28 at the halftime pause after Barrington led 17-11 at the first quarter buzzer.

Antioch still couldn't pull any closer to a tie or the lead in the third stanza, although it reached within 7 points at 41-34 at 5:15 to play and at 51-44 with 30 seconds to go.

It was 52-46 as the third quarter ended, but the Sequoits picked up 2 points at 52-46 in the first minute

of the fourth period but from then on the eventual winners pulled out ahead.

Bob Martin fouled out with 4:09 to play in the final stanza with the score at 70-57 for Barrington.

.....

Libertyville—A look at the score at the end of each quarter might indicate Antioch high's Fighting Sequoits weren't too hard pressed to win their regional basketball tourney game last Thursday evening.

But such was not the case for the youths coached by Larry Leon had to work hard for their 63-59 victory in the Libertyville high gym before a crowd estimated at 2,500 or more, including some 1,000 from Antioch-Lake Villa.

Jerry Dahman grabbed the ball on the game opening tipoff and scooted down the floor for the first Antioch 2-pointer and it was almost 4 minutes played in the opening quarter before Libertyville's Wildcats scored a field goal.

The game was tied up at 7-7 and then alternated back and forth between the two teams with two ties mixed up in between until the buzzer. In fact the score was tied at the first quarter pause at 13-13.

Antioch and Libertyville once again traded leads at 14-14 for the Sequoits, 17-16 for the Cats, 18-17 and so on. Dick Wolf dumped in a pair of free throws with 5:10 minutes to play to make it Antioch 21-19.

THIS PUT the Sequoits in the lead and the Leon-coached youths were in the lead for a few minutes. Specifically until Libertyville tied the score at 25-25 with 2:20 minutes to play.

But Bob Martin and Don Pyles sunk two quickies with about 2 minutes to be played for a 29-25 lead and Antioch was in the leader saddle once again. The half ended with the Sequoits ahead 33-27, the largest lead it had to that time.

The Sequoits pushed it to an 8 point margin at 37-29 with just over 6 minutes to play in the third stanza and although the Wildcats lowered the lead in this quarter, Libertyville never could overcome the Antioch lead.

Pyles helped make the Antioch margin big by sinking two free throws with 10 seconds to play in the third period to make the score read 49-42 when the third quarter ended.

Antioch maintained its lead in the 3 minutes of the final stanza, although Libertyville cut the margin somewhat after Dick Gudgeon had pushed in a pair of free throws for a 53-46 Sequoit lead.

THAT WAS the last "big" margin that Antioch had in the game—7 points—and the Cats went ahead 56-55 at 4:25 minutes played in the final quarter.

Pyles tied the game at 56-56 on a free throw but missed a second on the "one and one" plan at 3:42 minutes played.

Some Antioch fans groaned with disappointment and perhaps frustration while the Libertyville side of the gym roared its approval as Dahman, high scoring guard of the Sequoits, went out on fouls.

This came with about 3 minutes to play in the final stanza.

But the Sequoits took heart and perhaps surprised themselves by going on to take a lead of 58-56 on two free throws by Gudgeon with 2:27 minutes to play. And what is

more they stayed on top until the end of the game.

A COUPLE of Libertyville players gave Antioch fans and coaches a bit of jitter when they lined up for free throws in those final 3 1/2 minutes or so, but the Cats couldn't come through at 2:19 and 2:06.

Pyles put the Sequoits ahead 61-56 with 1:09 minutes to play for the biggest lead it had in the later stages of the fourth quarter.

And after this Libertyville players missed two more free throws, one of which might have thrown an entirely new complexion on the game.

This came with 17 seconds in the game and on a play in which a Wildcat player sank a "field goal" but was fouled before he made the shot. So he had a free throw but missed this shot.

It was Pyles who put on the clincher, one might say, for the Sequoits as he sank a free throw with 3 seconds left in the game, to make it 63-59 final.

Actually the final buzzer already had sounded but the clock was "off" and there was a minute or so played after that before the game officially ended.

Against Libertyville last Thursday night, Antioch tried 37 field goals, made 19 for a 51.4 percentage, Libertyville attempted 61 and made 19 for 31.1.

Free throws saw Antioch 36 and made 25 for .695, while Libertyville tried 26 and made 21 for .808. Libertyville missed 4 out of 5 free throws in the final quarter.

Rebounding honors went to Libertyville with 34 compared to Antioch's 24.

WOMEN'S THURSDAY AFTERNOON LEAGUE, FEB. 25

Fred Maier Service had high team series, with games of 689-540-553 for a total of 1782.

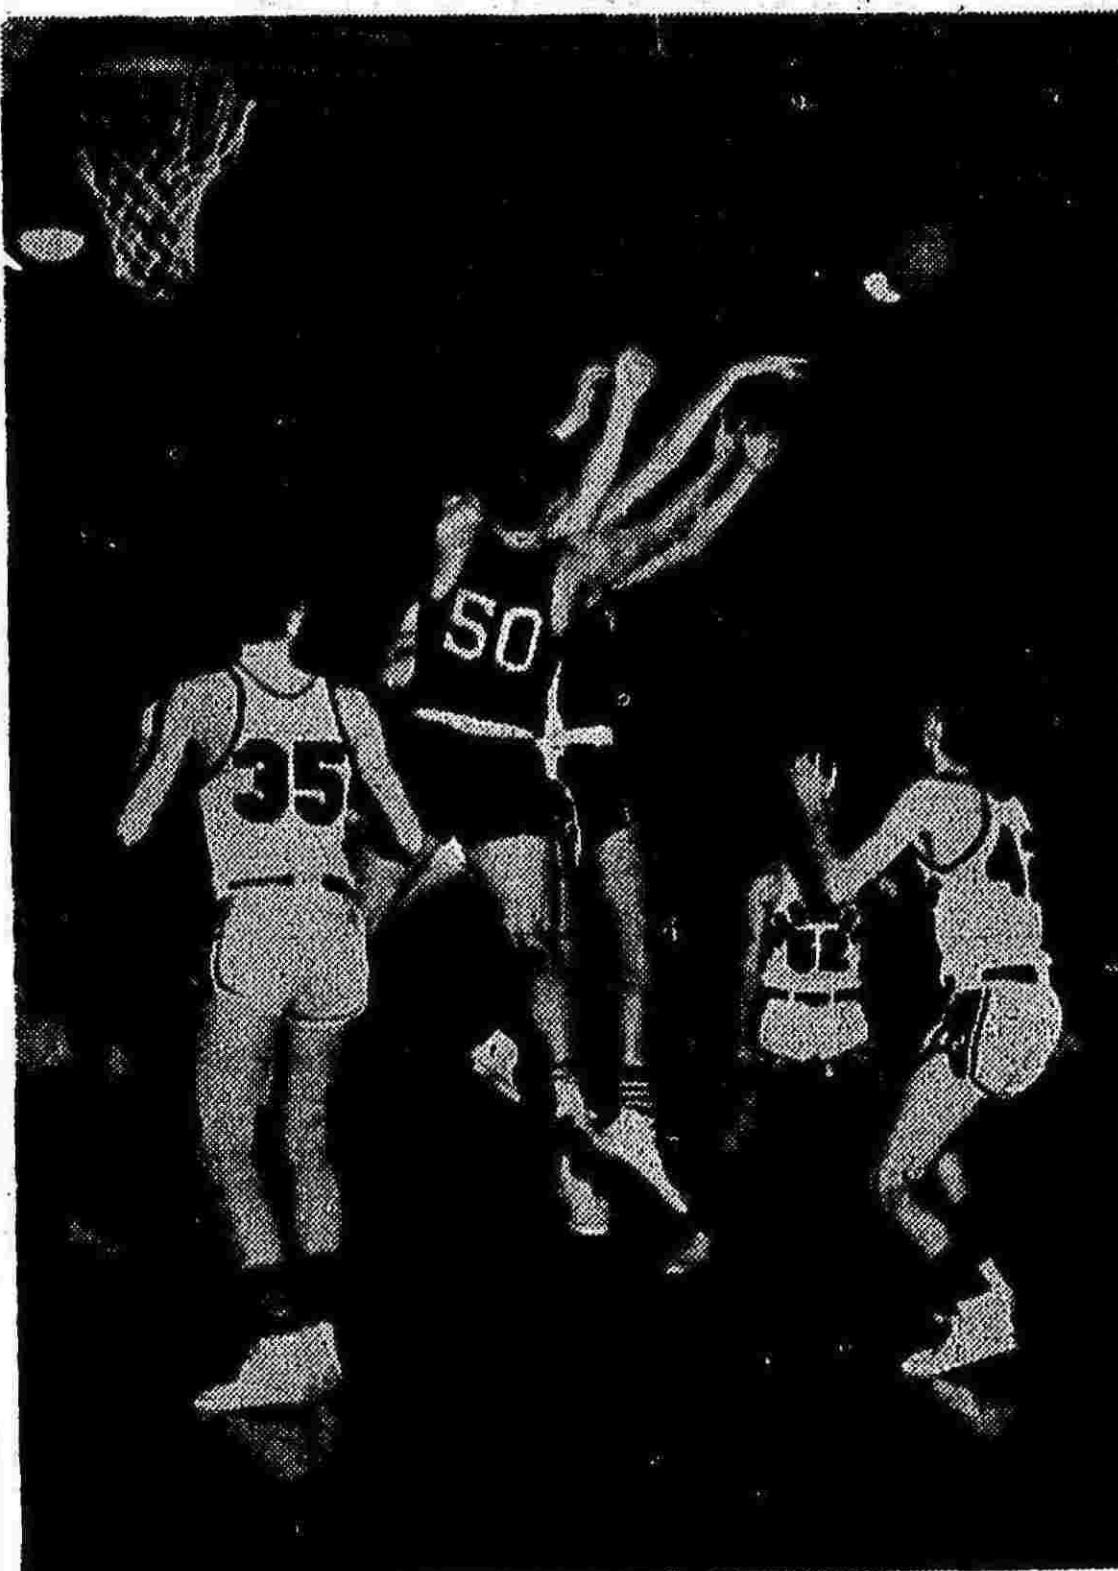

High individual scorer was Agnes Ferris who rolled games of 190-131-184 for a total of 505.

Drew's Lotion took two games from Burdick's Service Station. Nielsen's Restaurant beat the Advertiser all 3 games.

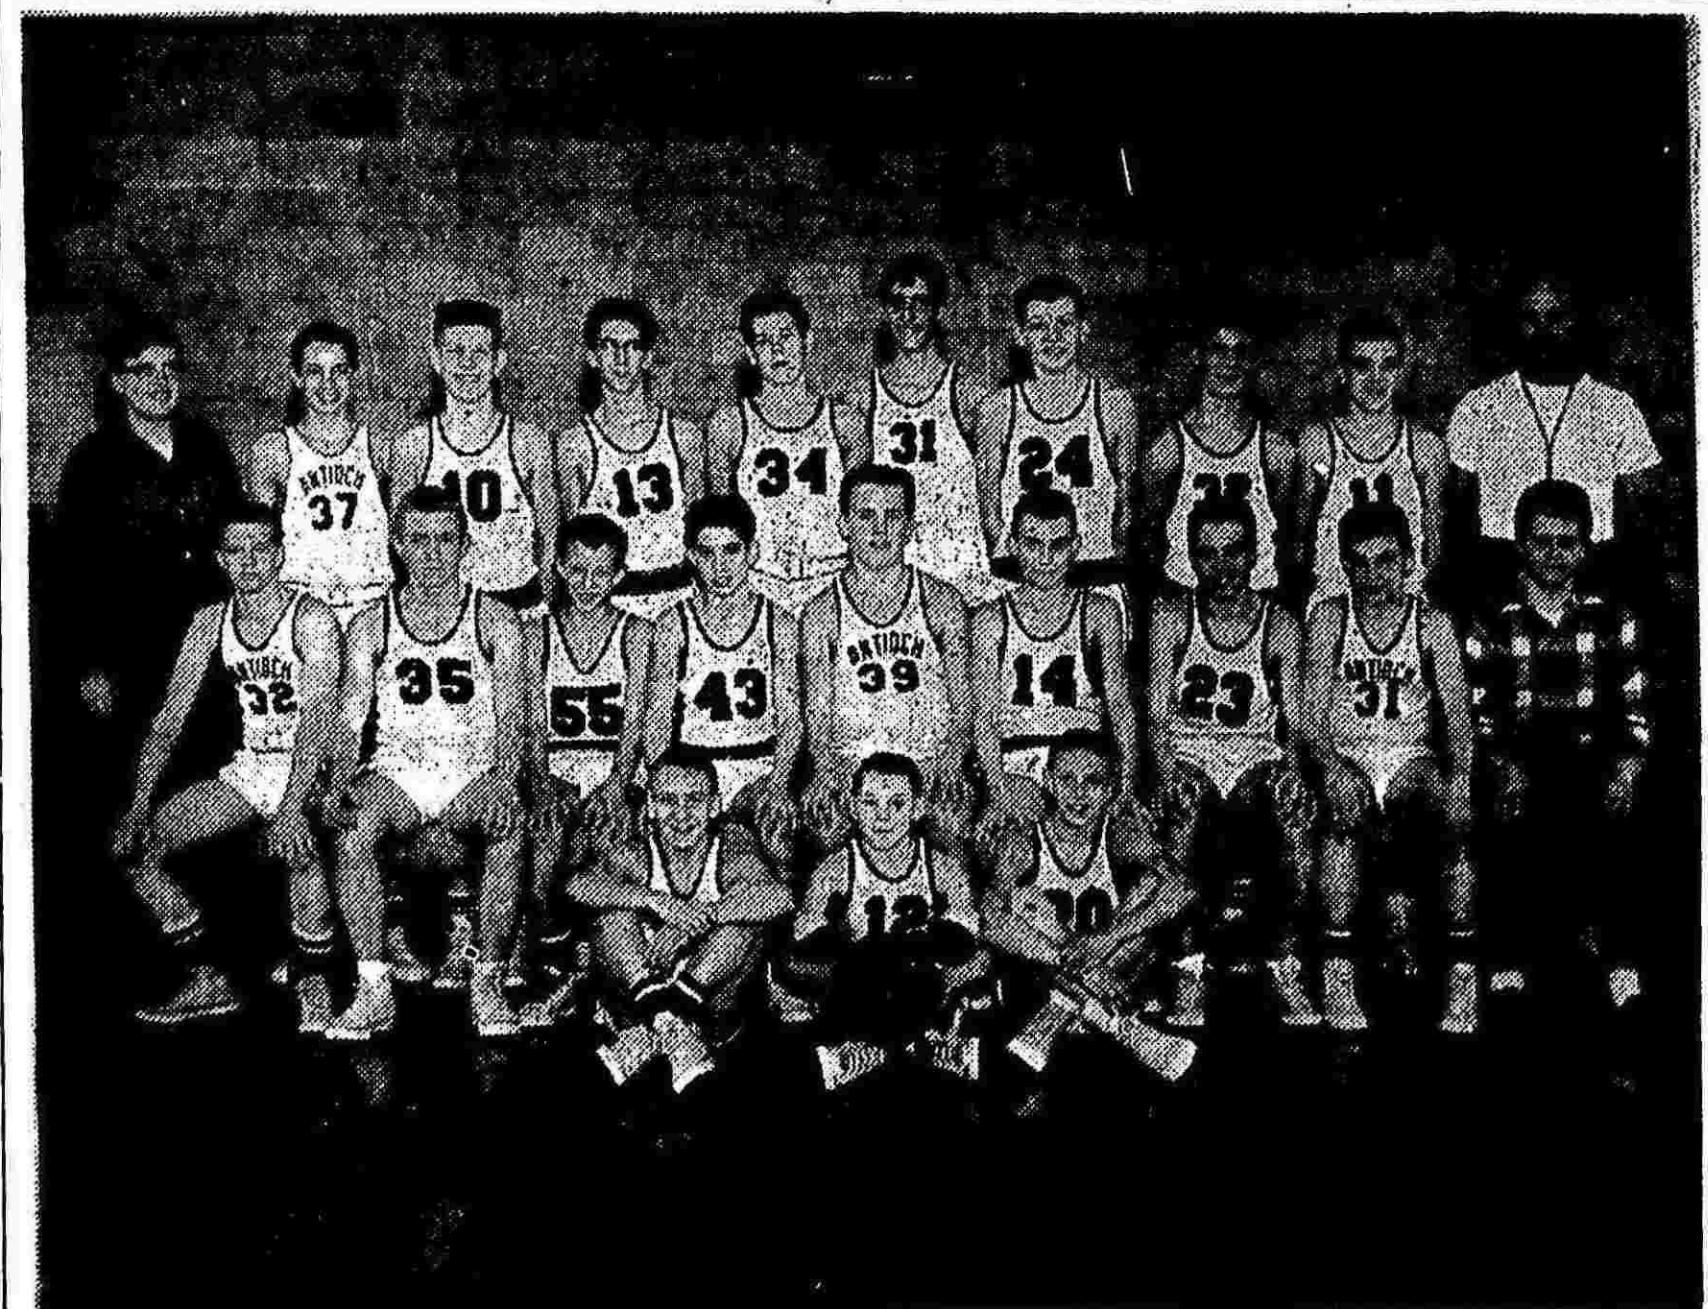

Fred Maier Service took two games from Hiram Walker.

Jacques Beauty Shop took two games from Ted's Radio & TV Repair.

Don's Broasted Chicken beat Kelly's Tavern all three games.

LOTS OF ACTION in this scene from the Antioch Sequoits vs. Barrington high school basketball game on the Libertyville high floor last Friday evening in which the Broncos won the regional tournament title with a 77-66 victory. The loss dropped the Sequoits from any further tournament competition this season. A standing room only crowd watched the contest with about 1,000 of the 2,500 present coming from Antioch. No. 50 in the black uniform is Antioch's Don Pyles while barely visible at the rear is Brian Elliott (No. 44). Barrington players are Condit (35), Graver (42) and Waterman (52). (Antioch News photo)

FRESHMEN BASKETBALL SQUAD at Antioch-Lake Villa high school is shown in this photograph taken not long ago for the high school annual. The fresh completed the 1959-60 season with a 10 wins and 3 losses Northwest Suburban conference record and a 10 and 6 mark over all. The only league losses were to Elva-Vernon 47-39 and 59-50 and to Lake Forest 57-41. Shown here are, from left, front row Jim Wetterberg, Jim Brownlee, Al Gruidi; second row, Paul Erickson, Walt Delaney, Dean Horton, Tom Furlan, Mike Zeien, Les Geist, Al Pedersen, Mike Skubal (manager); third row, Dave Cardiff (manager), Dean Gann, Doug Lang, Jim Dupre, Chuck Miller, George Hanson, John Hallwas, Paul Hameau, Bob Kubicki and coach Roy Nelson.

## Freshmen Cagers Post 10 and 3 Conference Record for Season

Antioch-Lake Villa high school freshman basketball players are pointing with some pride these days to their 1959-60 season record of 10 wins and three defeats in North west Suburban conference games.

Over all the record was 10 victories and six losses for the season just completed.

Thirty-two boys reported to coach Roy Nelson for practice last November 14 and 20 were still on the squad when the year closed.

There were no "cuts" by the coaching staff. The boys dropped out because of work at home, at school or they recognized their own ability as players, Nelson reported.

The frosh squad worked out three nights a week from 6 to 8 and two afternoons from 4:30 to 6.

"Credit should be given to both the parents and the boys for the spirit which this team showed," Nelson commented. The parents furnished the transportation after practice, provided late suppers and the like.

Jim Brownlee, a 4 foot 11 inch guard was top average scorer for the Sequoit freshmen cagers with a 14.8 average. Next were Bob Kubicki with 8.2, Doug Lang 7.9, John Hallwas with 7.4 and Chuck Miller with 6.3.

Brownlee, Hallwas, Kubicki, Lang and Miller were starters this season. Other squad members and their

scoring averages were:

Don Blackman (guard) 2.0; Jim Dupre (g) 3.0; Walter Delaney (forward) 0.0; Paul Erickson (f) 1.0; Tom Furlan (g) 2.8; Dean Gann (f) 5.1; Al Gruidi (g) 3.0; George Hanson (center) 4.2; Dean Horton (g) 0.0.

Others were Al Pedersen (f) 0.0; Bill Puckett (g) 0.0; Jim Wetterberg (g) 1.0; Paul Hameau (f) 2.2; Mike Zeien (c-g) 1.0; Les Geist (c) 1.1.

Brownlee played at guard, Hallwas at forward, Kubicki at guard, Lang at forward and Miller at center.

Managers for the freshman squad were Mike Kubal, John Horton and Dave Cardiff.

## 5 Subdivisions Added to Antioch Through Efforts of Barney Naber

Barney (Barney) Naber who died last week at his home in Antioch, was a prime leader in opening subdivisions in and near the village, a close look at his life showed this week.

He was a harness maker by trade when he came to Antioch at the age of 23 to pursue his occupation.

But Naber became even more famous as the years went by for developing subdivisions.

On one of his bus runs to the railroad depot to pick up people to take to lake resort hotels, he met Charles Harden who said he (Harden) had decided to sell his farm and thought Naber was just the man to buy it.

Naber did purchase the 87 acre plot at the southwest edge of the village for \$10,250. Earlier he had bought 40 acres adjoining this to be used for the livery business.

FARMING BECAME much more difficult, Naber recalled, after highways 59 and 173 crossed his land. He remembered when corn was grown in land now occupied by Lake Antioch.

By 1916 he had become a subdivider and opened up the Spafford street extension in which John Brogan became the first builder on one of the 22 lots there.

The site of St. Peter's Catholic church became his second subdivision in 1929. Up to his death, Naber received a thrill seeing worshippers gather at the church each Sunday.

The St. Peter's basketball team nicknamed itself "The Nabers."

His most active period of developing came in the late 1940's when he was drawing to a close 80 years of life. Then he opened three settlements within three years.

In 1947 he opened Naber's Third subdivision in which the Clare Mairs and the Russell Luedtkes shared honors as the "first families."

THE NEXT YEAR marked the opening of his acreage lots on Tiffany road with John V. Horton as the first builder.

Mrs. Lester Osmond, a daughter of Naber, was co-owner of the subdivision west and north of St. Peter's church opened in 1949. Daniel Sheehan, who was the first builder, was also Naber's only "first" to move away.

Naber's Corners, the intersection of highways 59 and 173, has become a thriving shopping and business center. Naber used to make the

rounds of this area daily for some years.

His walk from his home at Hillside and Lake streets to downtown Antioch each Saturday morning was timed to the minute each Saturday morning. His time of arrival seldom varied over 80 years of travel.

He erected a two story 26 foot by 26 foot home for \$1,200 where the George Wagner home stood on Victoria street in 1895, the first of his building activities here.

Two years later Naber was instrumental with Hugh Brogan in obtaining Victoria street land for the original St. Peter's church.

NABER BUILT at least 12 houses, three buildings at Naber's Corners and the business building which houses King's drug store. Part of Hillside cemetery lies on land he once owned as does all of Mt. Carmel cemetery.

Civic interests have been his too, for he served for 12 years as an Antioch village trustee, two years as village president and was supervisor of Antioch Township for 16 years.

He came from Waterford, Wis., as a harness worker in 1893 and after running his business for about 10 years, turned his interests to helping his sister-in-law at the Queen of the West hotel at Petite lake.

Next, Naber purchased the hotel in Antioch, now Mortensen's, from Charles Lux, Sr.

The son of German born parents, he also engaged in the bus business and regularly met the trains to haul resorters to his hotel or on to the lakes.

Funeral services for Mr. Naber were conducted last Saturday morning at St. Peter's church with burial in Mt. Carmel cemetery. Strang funeral home was in charge of arrangements.

A proposed enriched, expanded and improved curriculum for Antioch-Lake Villa high school was approved at a meeting of the high school board last Wednesday evening.

This was an adjourned session of the board that did not complete its work at a meeting earlier in February.

This curriculum will be implemented during the 1960-61 school year.

The board is studying a report on improved guidance services.

It was voted to join the special education program sponsored by Lake county school superintendent W. C. Petty. This is the same plan approved by the Antioch grade school board early in February.

The program would include classes for physically handicapped, hard of hearing, educatable mentally handicapped, multiple handicapped, trainable mentally handicapped, partially sighted, impaired hearing, impaired speech and socially mal-adjusted.

Cost to the high school district will be based on \$1 per each pupil registered or about \$725 as of now, plus providing room space and a teacher, if necessary.

## Vocal Contest Scheduled at Central High

PADDOK LAKE, Wis.—The vocal solo elimination contest will be held in the music room at Salem high school at 7:30 p.m. Thursday, March 10.

The public is invited. Those selected will participate in the district contest in Whitewater on March 26.

The program will be as follows: Piano Solo, "La Playa de Malaga," Ellyn Bunata; also solos: "I Wonder as I Wander," Shirley Otterson; Jackie Goring, Mary Hansen; "Cradle Song," Dorothy Cole; "Caro Mio Ben," Ellyn Wagner; "Loch Lomond," Betty Reynolds, Mary Jecovicus.

Mezzo soprano solos: "My Heart is a Silent Violin," Ann Geron; "Still As the Night," Donna Fredrickson, Geraldine Pierantoni; "I Love Thee," June Ling.

Also, "The Lilacs Are in Bloom," Gerri Dufern; "I Want a Song," Gail Procnow, Charlene Myers, Victoria Olson; "A Heart That's Free," Nancy Greenstreet.

Soprano solos: "Were My Songs With Wings Provided," Arlene Schmidt; "The Morning Wing," Janice Nofrey.

Baritone Solos: "Kashmiri Song," Monty Leach; "I Must Down to the Seas Again," Larry Martell.

Bass Solo: "I Sing as I Sail," Jim Ellingson.

Accompanists will be Kathleen Ostman, Ellyn Bunata, Betty Magwitz, Charlene Meyers, Carol Kempf, Arlene Schmidt, Mary Getka, Roxanne DeBell, Charlotte Fowler, Joan Gordon and Mrs. Jane Palumbo.

## Bands Entertain At PTA Session

The Antioch and Oakland grade school PTA's held a combined meeting Feb. 22 in the Antioch school gymnasium.

Past presidents were introduced in recognition of Founders' day. Those present included Mrs. Glen Pierce, Mrs. Bernard Thompson and Mrs. Richard Eckert.

Mrs. Walter Delaney and Mrs. Lloyd Murrie also have served the Antioch grade school PTA as president.

The schools' band played several of their contest number and the audience was particularly amused with a parody on "Little Red Riding Hood," entitled "Little Bop Riding Hood."

As John Jessup narrated, the band played music denoting the action. George Olsar is band director.

Mrs. Robert Radke, Mrs. Albert Kumpfer, Mrs. Ted Schock and Mrs. Kenneth Sheldon were in charge of refreshments, assisted by other mothers of third grade students.

## Students in Math Contest

INGLESIDE—Dale Yingst, chairman of the mathematics department at Grant Community high school, has announced that 41 Grant students will participate in a national mathematics contest March 10.

The contest, in the form of a written examination, is sponsored jointly by the Mathematical Association of America and the Society of Actuaries.

Prizes will be given on both team and individual performance. Teams made up of top students in each school in each of 10 regional divisions will be awarded bronze cups. Top individual winners will be given medals.

Primary purposes of the contest are to arouse student interest in mathematics and to encourage sound scholarship in the subject.

## Advertisement CED Plan for Better Public Schools

Needed improvement in the American educational system will come only if we recognize the need for better schools and are willing to pay for them.

This is the fundamental conclusion of a two-year study of the American public school system conducted by the Committee for Economic Development, and recently made public by

Ralph Lazarus, chairman of the CED subcommittee of education and president of Federated Department Stores, Inc., Cincinnati, Ohio, and by T. V. Houser, chairman of the CED Research and Policy Committee and director, Sears, Roebuck and Co.

In reference to the committee's findings on public school financing, Mr. Lazarus pointed out that a "wholly new or radically different method" is not needed. What is needed, he said, is a "modification of the existing systems and more vigorous exploitation of its potentialities."

To achieve such improvement, Mr. Lazarus quoted four committee recommendations:

1. Mandatory action by state governments is needed in most states to bring about "immediate reorganization of small school districts into effective units of local government."

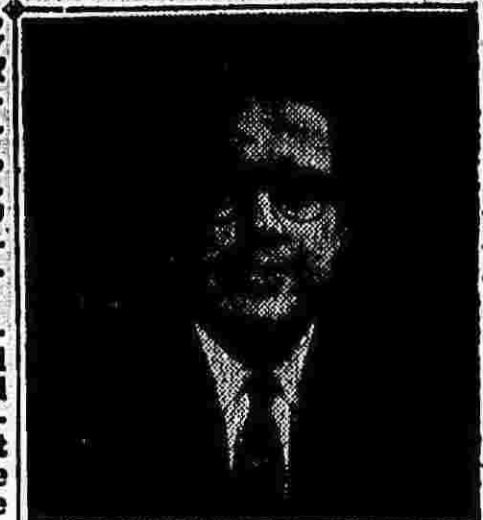

2. The state governments should assume a larger share of the financial burden of schools now borne by the local districts.

3. Financial grants of about \$800 million annually should be made by the Federal government "to support public schools in those states where income per public school child is substantially below the national average."

4. Better local, state and federal organization of citizens who appreciate the need for improved education is necessary for improvement of the schools. Participation by businessmen often can be especially helpful.

The committee's report strongly urged the need for citizen action in school affairs. Reforms will not just happen, the report pointed out. They will have to be brought about by the efforts of citizens who want better schools.

The CED is a research organization of 200 business executives and scholars directed toward increasing employment and promoting stable economic growth.

**There's a REASON to elect LEE FLEMING State Senator!**

**An economy minded Senator might have saved you 14% on your sales tax!**

The difference in having an economy minded man in the State Senate or, (having one always ready to spend the other fellow's money)—is the difference in what it will cost you in unnecessary taxes in the next 4-years.

"The schools needed 110 million dollars. It was necessary. If I had been in the senate I would have helped get it because I believe in good schools and good pay for teachers."

The "spend easy" group—the "get it with taxes" group, (taxes that they wouldn't let the people vote on)—was headed by our present senator. They could think of "no other way" other than to

up your sales tax 14%. It comes out of your grocery money.

This 14% hike in the sales tax would bring in the 110 million that the schools needed—but there was another way.

Maurice Scott is the Executive Secretary of the Taxpayers Federation of Illinois.

He knows the amount of money needed by each department to do its work properly.

The total state budget amounted to \$2,400,000 dollars. Scott said, "the budget could stand a 5% cut in any and every department without interfering with the operation of services these departments render."

A reduction of 5% of this \$2,400,000 budget would amount to

120 million dollars... providing the schools with the 110 million they needed and providing 10 million extra for any other emergency.

## Fox Lake Hills Social Night Dated On Friday Evening at Ray's Resort

By Jim Jankowiak  
Fox Lake Hills Correspondent

FOX LAKE HILLS—The Fox Lake Hills Sports club did not hold its regular monthly meeting last Thursday night due to the fact that a quorum of the membership was not present.

Members who were on hand decided to dispense with club matters for the evening except for the matter of the social night.

Since Harold Riley is in the hospital, it was agreed to change the place of the social night from his house to Ray's Resort. There will be no change in the format.

Time will be 8 p.m. Friday, March 11. There will be refreshments as well as card games for all those desiring to attend.

All members of the Fox Lake Hills Sports club, their guests and interested residents of the Hills are invited to come out and have a good time.

The Fox Lake Hills Property Owners association will hold its monthly meeting at the Holy Family church on Lehmann Blvd. in Unit 1. The date will be March 21 and the time will be 7:30 p.m.

All residents of the Hills are requested to attend these meetings as they concern matters vital to the good of the community in general.

Residents of Unit 1 (Chesney

Area) of the Hills are asked to take notice of the fact that there will be a special unit meeting this coming Monday night, March 14 at the Holy Family church.

Time of the gathering will be 7:30 in the evening.

The purpose will be to discuss common problems and goals of the area residents. It is hoped that through this special meeting, wishes of the majority will be made known to the association and the rest of the subdivision.

The Teen club in the Hills reports no activities are scheduled for the immediate future. Work is still being done, however, on the by-laws and constitution and they should be finished and ready for acceptance shortly.

The Fox Lake Hills Women's auxiliary held a meeting last Thursday evening instead of last Wednesday because of Ash Wednesday. The ladies had a St. Patrick's day refreshment theme.

Highlight of the evening was a plastic demonstration. There was a wide assortment of assorted goods on hand for women to purchase.

Twenty-five per cent of the proceeds of the demonstration went to the Heart Fund as a civic gesture. The women also had a short business meeting wherein events were outlined.

Most important, it was stated, is the upcoming rummage sale for the Countryside hospital fund. The Hills auxiliary is taking an active part in this event.

The ladies also discussed their card party which will be coming up in April. Coupled with the party will be a fashion show put on by Creighton's of Fox Lake.

The big spring dance as yet has not received a formal name, but chairman, Jan Carpenter, reports that progress is being made in ironing the details.

Fox Lake Hills association secretary Julie Chonis says that there is still a short time left to pay annual dues. Those failing to pay will have liens processed against their homes as was done last year.

Upon payment of the dues, each member will receive car stickers to be placed on the windshield for identification purpose.

Individual membership cards will enable the bearer to use all the Hills beaches and parks without question from the deputies about residency.

## Perfect Record For Safety Set, Emmons School

A perfect no-accident record for 1959 was achieved by Emmons Grade school through the efforts of the school safety patrol system, principal Donald Blake said this week.

This outstanding record was recognized by the Chicago Motor Club through a special award.

These awards are presented annually to schools in the club's Illinois and Indiana territory which had no injuries or fatalities at crossings protected by safety patrol members.

J. J. Cavanagh, president of the motor club, congratulated the students and patrol members for their excellent record.

He said that the devotion to responsibility shown by the patrol boys and girls has resulted in the saving of hundreds of lives since 1922 when the club pioneered the patrol system.

"The habit of protecting their classmates is one that instills in our youngsters the deep sense of community responsibility and the satisfaction that comes from helping others," he said.

"The whole community benefits from the life-saving work of the patrols, and our young people are learning to become good and useful citizens. With these awards, we at the motor club salute their fine work."

## Antioch Township Report of Examination As of January 31, 1960

February 18, 1960

Mr. L. E. Murrie, Supervisor  
Antioch Township  
Antioch, Illinois

The following statements pertain to cash receipts and disbursements for the year of February 1, 1959 to January 31, 1960 for the various funds handled by your office.

The statements, and the examinations preparatory thereto, have been made in accordance with generally accepted auditing standards and included such tests as were deemed necessary.

All cash receipts were traced to the various depositories; all disbursements were accordingly tested as to propriety and correctness. The various funds were reconciled to, and verified by, the various banks noted.

Statements included are:

- Schedule 1 — Summary of Funds
- Schedule 2 — General Town Fund
- Schedule 3 — Poor Fund
- Schedule 4 — Road & Bridge Fund
- Schedule 5 — Black Top Road Improvement Fund
- Schedule 6 — Special Funds

No special mention has been noted as to the various unpaid accounts, as of January 31, 1960, inasmuch as they serve no purpose to you for they are only the same type which recur from month to month. In addition, the statements presented to you have always been prepared on a cash basis, which do not reflect accrued items.

In our opinion, the accompanying statements present fairly the financial position of Antioch Township at January 31, 1960, and the results of its operations for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours very truly,  
Norman S. Jedele  
Certified Public Accountant

## Save Your Sight Week Observed

Because the job of seeing requires energy in the same way ditch-digging does, the child who sees improperly will waste energy he needs to use for the job of learning.

That is the finding of professional optometrists who warn that "youth needs vision" as the keynote of "Save Your Vision" week, being observed in Illinois March 6-12.

According to studies by the Illinois Optometric association, four grade school students in every 10 have vision defects of some kind, in many cases, the outgrowth of poor visual habits learned along with their learning to read.

These defects may vary from inability to focus or to use both eyes together or to point the eyes effectively.

Whether the child is able to adapt to his particular difficulty and see "well enough to get along," he may still be wasting energy in trying to see as well as he does, the association studies have found.

Professional optometrists in Illinois have long worked with school administrators to encourage visual screening of students in an effort to detect such difficulties.

In many cases they can be corrected through visual training programs which aim at teaching the child how to see most efficiently and, hence, to learn more effectively.

## Antioch Hi Chatter

By Miss Marie Jaden  
Antioch High Reporter

Last week was a busy week for the Antioch high schoolers. It started out with the announcement of the senior play cast.

Monday morning found Bob Gleske with the title role in the play "Dino," which will be given in April.

Sharon Dittman, Norma Brown, Terry Ptack, Barb Poulsen, Darlene Harris, Bob Wozniak, Elaine Oze, Larry Loecher, Pat Callahan, Ellen Homan, Carol Hansen, Sue Owens, Helen Herman, Sharon Berke, Bob Martin, Joe LoRusso, and Don Pyles are featured in the cast. Congratulations to all.

Monday night saw the Fighting Sequoias whip Grant 91-50 in the opening game of the Libertyville regional basketball tournament.

Thursday the Antioch champions beat Libertyville at a somewhat less impressive score, 73-69, but the game

was no less impressive.

Friday night the championship tournament game was played with some competition from the P.T.A. play, "Time Out for Ginger."

It was heartbreaking to lose to Barrington, and drop the championship, but the boys fought hard, and this has been the first time in several years that an Antioch team has got that far in tourney games.

Saturday night the play, "Time Out for Ginger," had a large, interested audience, and cast members did a spectacular job, especially Homer LaPlant and Harriet Wells.

Sunday in the Sun Times Jerry Dahlman, a senior at ATHS, was named the only unanimous choice for the Northwest Suburban conference All Star team.

Don Pyles made the second team and Dick Wolf received honorable mention. Congratulations, boys!

## Channel Lake Brownies Preparing For Roundup Scheduled Saturday

By Mrs. Pearl Kapell  
Phone Antioch 1537

CHANNEL LAKE—Brownies of Troop 74 have been busy lately practicing their skit for the Girl Scout Roundup to be held at the Antioch Grade school Saturday, March 12, at 7:30 p.m.

Troop 74 will represent Holland. The girls will be dressed in Dutch costumes, and will sing "The Farmer in the Dell" in Dutch.

Mrs. Cornelius Lulofs, who came from Holland a couple of years ago, has been assisting in teaching the girls the song.

The public is invited to attend this event. There will be a small nominal charge for admission.

On March 17, the Brownies will have a St. Patrick's day party in place of their regular meeting. The party will be at the home of the Elmer Ebermans.

The girls will be busy for the next few weeks on their project of making Easter baskets for the patients in Lake County hospital.

At present there is room for more girls in Brownies Troop 74. Any mother wishing her daughter to join, call Lois Ward at Antioch 2259.

George McNulty, Woodcrest Subdivision, is home from the hospital and much improved after a bout with pneumonia.

Be sure to listen to WKRS at 2:45 p.m. on March 17, 18 and 19. The Channel Lake P.T.A. is taping some talks for broadcast at that time. Introductions will be by Mary Bierman, the rest of the recording by some of the school children.

George Kapell, Woodcrest Subdivision, is a patient at Victory Memorial hospital.

Mrs. W. E. Schaefer, well-known to all those who frequent Aunt Min's Kitchen on Route 173, has returned from a month spent in Arlington, Va., with her daughter and son-in-law.

Lewis Rogers was a surgical pa-

tient at St. Therese hospital last week.

"Say it where it will do some good" department. A local gentleman, incensed after hitting a deep hole on Route 173 which almost caused him to lose control of his car, stayed "mad" long enough to call the state highway department. He pointed out the location of the hole and its danger. Traveling over the same route the next day, he found the hole repaired.

Mark McKinney, son of Mr. and Mrs. Lee McKinney, celebrated his 10th birthday last Friday with a party attended by many of his relatives, both adult and children.

Little Jimmy Bucar is another hospital patient from this area.

Pfc Ted Portalski arrived home on leave Friday, March 4, from Fort Lewis, Wash. Ted will be at the home of his parents, Mr. and Mrs. Louis Portalski, until March 23.

Petitions as candidates to the Channel Lake school board have been filed with Secretary Mary Chase by John Eckert and Richard Harland. Petitions have been taken out, but not yet filed, by Russell Roepnack and Lee McKinney.

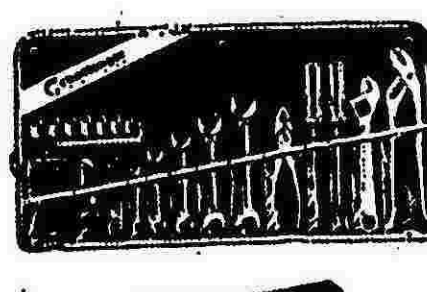

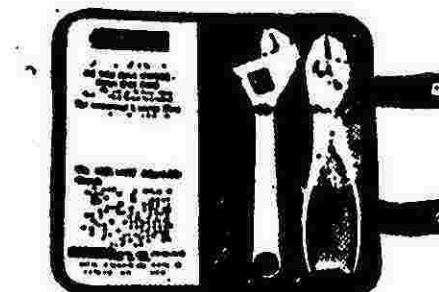

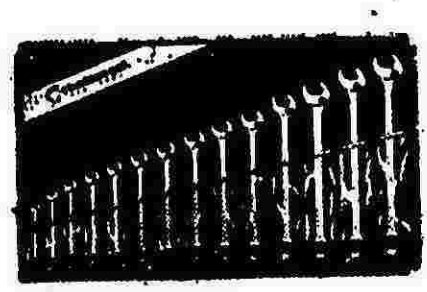

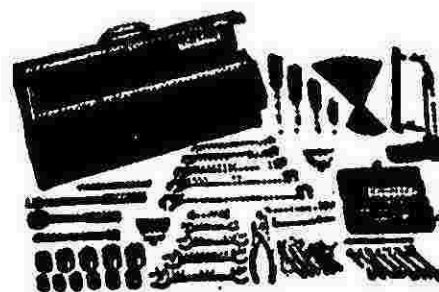

There will be two vacancies on the Channel Lake board this year, as the terms of Russell Roepnack and Lee McKinney expire.

Adult bowlers, want to develop an inferiority complex? Go up and watch some of the Junior and Bantam league bowlers on Saturday.

Fred Fittler, 9 years of age, turned in a 191 game last Saturday. Fred bowls at 2 p.m. Saturday in the Bantam league.

He's a member of the Kayo team, which is in second place by one game. Fred has a 116 average. The Bantam league bowls two-game series. Fred had a 122 to go with his 191.

## Millburn Hornets 4-H Club Active

MILLBURN—The Millburn Hornets 4-H club with Mr. and Mrs. Frank DeYoung of route 2, box 651A, Lake Villa, as leaders is one of 13 such clubs covering many of the areas in Lake county.

Young people in the Millburn area may join this club by contacting Mr. or Mrs. DeYoung or farm adviser at Grayslake for enrollment cards.

In areas where a 4-H club is not now presently available, it is easy to organize one, farm adviser Ray T. Nicholas said. The only requirement is five or more interested members and an adult leader.

Any boy or girl 10-years of age or older by July 1 of this year is eligible to join a 4-H club.

Local club meetings are held every two or four weeks during the spring and summer months. Some clubs meet throughout the year. They are held in homes, schools, churches and other public buildings.

Each club has a set of officers and a number of junior leaders assigned to assist with project interests.

## Family Increases By 7 - All Dogs

By Mrs. Pearl Kapell

CHANNEL LAKE—The John Eckerts have had an increase in their family—seven of 'em, to be exact. Lassie, the Eckerts' toy collie, is the proud mother.

The Eckerts' children—Kathy, Donny, Johnny and Sherry—are delighted with the new additions.

And if Dolores and John are not quite as happy as the children, it's because they realize that cute little puppies grow up to be hungry dogs.

However, there's no doubt they'll be able to cope with the situation, as at various times in the past they've had eight Doberman Pinschers and three Chihuahuas (I'm rather hazy as to what happened to these), a monkey (it hung itself), and a parakeet (it died).

Anyone interested in acquiring a puppy, part toy collie and part "dubious," contact the Eckerts in the near future.

## Fire Safety Program Shown at Grant High

INGLESIDE—The "Farm of Hazards," a fire safety program was presented to Grant Community high school student body on March 8.

The program was sponsored by the Country Mutual Insurance company and the demonstrations were conducted by Pat Asper.

The "Farm of Hazards" consists of a model set of farm buildings with red light bulbs to indicate the location and type of hazard in each of the buildings. During the discussion of the hazard, an actual demonstration was made to show how this hazard causes a fire.

The demonstration includes dust explosion, gasoline or flammable liquids explosion, and in addition to the gasoline explosion, the demonstrator shows that the conditions have to be right for an explosion to occur.

The electrical display panel shows how a fuse operates in a circuit and how an overheated, over-fused wire burns. In addition, this panel shows the proper use of a fused safety switch. Heat lamps are used to actually start a fire in straw.

First aid fire fighting equipment was one of the major items of discussion and the demonstrator showed how to use CO2 and dry chemical extinguishers, emphasizing the fact that water type extinguishers must not be used on electrical fires.

Proper use of the horn is an important asset to safe driving.

## Scientific Census at Central High To Report on Talents of Students

By Miss Frances Murphy  
Central High School Reporter

PADDOCK LAKE, Wis.—"Project Talent" is a scientific census.

"Project Talent" will report fully the unique potential and all the talents of all students tested.

All students of Salem Central high school will be tested March 14 and 15 at the high school.

Salem Central was one of seven schools in the Southeastern Wisconsin area invited to represent the area in this testing program.

Other schools in this vicinity will join in this project are Milwaukee South Division, West Milwaukee High, Milwaukee North Division, Mercy Academy, St. John's Cathedral high and Kemper Hall, Kenosha.

The office of naval research is supervising the statistical processing and the National Science Foundation has provided financial support along with the United States Office of education and the University of Pittsburgh and the American Institute of Research.

Salem feels it a distinct honor to be so selected and to have the opportunity of helping in this research of "Project Talent."

"Our country needs the full use of all its talents, and this aptitude and ability census will tell us what is available," leaders at Central said.

A scientifically selected sample of half million high school students will be given a two day series of

examination which will measure many different kinds of things.

All types of school systems, public, private, parochial, city, country and village, will be included. All students in the chosen school will take the test.

This project covers more than school activities, as follow-up studies are planned. The project will seek to discover what these people are doing in their jobs or in higher education one year after graduation from high school and a follow-up for years to come.

These examinations are designed to measure potential aptitudes and abilities of a more general sort in addition to measuring what the student knows.

"Project Talent" is not an experiment to try out new theories. All major components of this project have been tested and proven in previous studies.

What is the Basic Goal of "Project Talent"?

Its basic goal is information to help American youth to develop themselves and their nation.

"Project Talent" has been designed carefully to fill an important national need for facts regarding identification, development and utilization of human resources.

This information is intended as a basis for manpower policies and as a basic resource for the many individuals responsible for the education of our children.

John Daily, guidance director of the Salem Central high school, is in charge of "Project Talent" and made all the necessary arrangements for administering the tests.

It is through his efforts that students of Salem high school are so fortunate as to be of assistance to their government.

## Working People Deserve Freedom Schadeberg Says

BURLINGTON, Wis.—Continuing his speaking tour of the first district, Henry C. Schadeberg, Republican candidate for congress, appeared before a civic group in Waterford recently to give his views on labor-management relations.

Schadeberg once served as an apprentice bricklayer and had several years experience in shop and factory work as a machine operator and shop clerk.

He knows the workers' problems and insists that business and labor must be treated alike.

The principle of collective bargaining is one which must be developed in an atmosphere of freedom, he stated, without domination by labor bosses, self-seeking industrial leaders or big government, he said.

He feels that the rights of the individual working man can be strengthened and preserved by labor unions but that special privileges within the framework of the law should not be tolerated.

"I feel that unions which represent the laboring man and which cooperate with industry for the mutual benefit of the public as well as each other, can and will win the support and respect of all," Schadeberg said.

# More Meat to Eat with "EVT"!

Ever notice the letters E. V. T. on a package of Jewel meat? They stand for Jewel's own meat cutting methods . . . one that brings you more meat for your money than any ordinary trim.

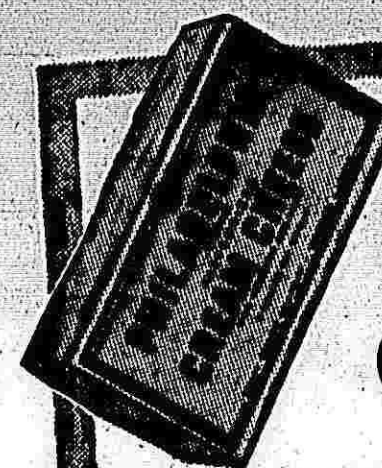

EVT means meat that is ready for you to cook without having to trim and throw away fat at home . . . meat that fits better in your cooking pans and is easier to carve because awkward bones are removed . . . meat that makes better gravy because drippings have less fat.

Shop at Jewel this week for Extra Value Trimmed meats. It's the only place you'll find them . . . and those friendly Jewel people to serve you!

## Spanish War Veteran Dies

By Mrs. Fred Bartlett  
LAKE VILLA—Albert A. Wahl, (known to his friends as Wally Baltz) a Spanish-American War veteran, passed away Feb. 29 at Downey hospital, at the age of 88 years. He resided in Lake Villa for the past 45 years and was well known in the community.  
He served his country for two years, as a private with Company E, 6th regiment Illinois Volunteer infantry, and was mustered out of service Nov. 25, 1898.  
His body was shipped for burial in the family plot at Sterling, Ill. Assisting Lake Villa Memorial Post no. 4308, VFW, of which Mr. Wahl was a member, for military funeral was VFW Post no. 328 of Sterling.  
His discharge will be framed and placed in the archives of the Veterans of Foreign Wars, Lake Villa Memorial Post home.  
There are only two Spanish-American war veterans still living in this area.

## Trip To Florida Enjoyed By Folks

By Mrs. Edward Bernau  
LINDENHURST—Mary and Dominick Di Silvestro of Deepwater drive, and their son, Donald, 8, have just returned from a three weeks vacation.  
They left here the day our big snow storm started. (Those lucky people). They went by train to Miami Beach, Fla.  
The trip took a day and a half. When the family arrived there the temperature was a mere 42 degrees. Not much warmer than here.  
But it warmed up soon after their arrival.  
This was the fifth year that they have spent their vacation there. They always go the same time of the year, so they usually meet the same friends there.  
The family stayed in a motel across from the Atlantic ocean. Two of their friends, Mr. and Mrs. Matt Hoffman of Ingleside also were there.  
Dominick spent a lot of time deep sea fishing and Donald caught a 13 pound mackerel. Mary spent most of her time on the beach, as her tan will prove.  
(Their Florida tan is the envy of us palefaces.)  
After much persuasion Dominick got Mary to fly home. She wasn't anxious to get her feet off the ground, but now she says that's "the only way to travel."

## Two Local Residents At Wisconsin College

MENOMONIE, Wis.—Residents of Antioch, Ill., are members of the second semester student body of Stout State college, Menomonee.  
On the Stout campus this semester are 1204 full-time students, with another 32 enrolled on a part-time basis.  
Antioch students at Stout State college include Arthur Hanke and Gerald Dittmer.

## Village Map Added

The village board of trustees meeting room in Antioch has something new on its walls—a map of the village encased in a frame that now hangs on the east wall of the room.  
Ed Simonsen, Superintendent of public works in the village, made the wooden frame. Village engineer Dave Miller drew up the map.
